Twin Valley USD 240
240C1RFP27A
Allowable contract date: Please reference the Form 470

Important Notes:

- ATTENTION: Direct bid correspondence to Kinsy McVay via email at kmcvay@usd240.org. Please include the Form 470 number in the subject line. At the top of the message, please provide the services you are bidding on, your SPIN, company name, and contact information.
- Do not contact the consultant with questions concerning this Form 470. Direct all questions and bids to the Form 470 Contact.
- Applicable Kansas Bidding Law K.S.A. Supp. 72-1151 for $20,000.00 or more. Bids exceeding $19,999.99 must be sent as a sealed bid. Indicate on the outside of the envelope that it is a response to an E-Rate Form 470 and that it is not to be opened before the bid evaluation.
- Multi-year contracts and voluntary extensions are accepted. Please include the voluntary contract renewal deadline on the contract.
- SPAM and/or robotic responses will not be considered valid bids and will be disqualified.
- The bidder must agree to participate in the USF Program (AKA "E-Rate") for the corresponding funding year.
- All bidders must ensure they follow all current E-Rate program guidelines established by the Federal Communications Commission (FCC). Information regarding the eligibility of goods and services, invoicing requirements, documentation requirements, and other program rules is available from the SLD by calling the Schools and Libraries Division (SLD) of the Universal Service Administration Corporation (USAC) at 1-888-203-8100 or seeing their website at https://www.usac.org/e-rate/.
- All bidders must adhere to the Lowest Corresponding Price (LCP) guidelines (as the SLD dictates).
- All applicable fees, surcharges, taxes, and installation charges must be identified on the bid. E-Rate rules require applicants to evaluate the prices of eligible goods and services to be listed on the 471 application during the competitive bidding process. Fees and surcharges that apply but are not listed on the bid will be the responsibility of the bidding company, should their bid be awarded.
- Provide detailed item pricing and descriptions; identify and break out associated costs on ineligible items. Note: The vendor is responsible for checking the USF Eligible Services List for updates and corrections before submitting bids/quotations.
- The bidder must be in good standing with the Federal Communications Commission (FCC) and not have a Red Light status. If the vendor has a Red Light status, the contract will become null and void without penalty to the applicant.
- The bidder must agree to provide the applicant with the choice of discount methods (SPI or BEAR).
- The winning vendor will be required to promptly provide the requested information regarding goods and services.
- All bids must be submitted with the understanding that implementation may be dependent upon the following: (i) Final approval of next year's fiscal budget; (ii) Contract confirmation by next year's board of education; (iii) Award of associated E-Rate funding; (iv) Terms and provisions of the Kansas Cash Basis Law K.S.A 10-1101.
- The bidder may provide bids for any or all portions of this proposal.
- The applicant reserves the right to purchase all, none, or a portion of the quoted equipment/services and may choose more than one provider.
- Bids received after the stated deadline may be deemed non-responsive.

Function	Minimum Capacity	Maximum Capacity	Approximate Quantity	Installation, Activation, & Initial Configuration	Maintenance & Technical Support
Standalone Data Transmission Services	**1 Gbps**	**5 Gbps**	**1**	**Yes**	**Yes**
Seeking bids for district-wide network connection(s) ranging from 1 Gbps to 5 Gbps. Multi-year contracts should include optional bandwidth increases within the term of the contract. **Please see addresses below.**					

Leased Lit Fiber Network	**1 Gbps**	**5 Gbps**	**1**	**Yes**	**Yes**
Seeking bids for district-wide network connection(s) ranging from 1 Gbps to 5 Gbps. Multi-year contracts should include optional bandwidth increases within the term of the contract. **Please see addresses below.**					

• Bids should provide turn-key solutions, including installation/configuration charges, surcharges, and special construction charges when applicable. If special construction charges apply, please include the option for installment payments of up to 4 years for the applicant's nondiscounted share.
• Leased broadband bids should provide the network equipment as a leased component without a separately identifiable cost.
