Mandatory Walkthrough

All vendors who wish to bid on this project must attend a walkthrough on December 10, 2026 at 10:00 AM. Vendors will meet Sheri Hayes at the Administration Office located at 719 E. Sixth Street, Bishop, TX. For questions about the walkthrough please contact Sheri Hayes, shayes@bishopcisd.net.

1.1 Communication with the Bishop Consolidated Independent School District: It is the responsibility of the bidder to inquire about any requirements of this RFP that are not understood. Inquiries must be submitted by email to shayes@bishopcisd.net and answers will be posted online at https://tinyurl.com/24z2huca. The deadline for submitting questions is **December 15, 2026**. Q&A document will be posted in the EPC on that same date. If a change or clarification to the RFP is made in a substantial manner, addenda will be posted online. The Bishop Consolidated Independent School District will not be bound by oral responses to inquiries or written responses other than the RFP Q&A Page posted above.

Please direct all inquiries to:
Sheri Hayes,
Bishop Consolidated Independent School District
shayes@bishopcisd.net

1.2 Award of Proposal: Bishop CISD Board of Trustees reserves the right to award this proposal on an item-by-item basis or a group of items. Bishop CISD reserves the right to reject any or all proposals, in whole or in part, and is not necessarily bound to accept the lowest cost proposal. Bishop CISD will conduct a comprehensive, fair and impartial evaluation of all Proposals and will analyze each Proposal to determine overall responsiveness and completeness. The District, in its sole discretion, may deem a Proposal non-responsive if the Proposer fails to comply with the instructions in this RFP or submits an incomplete Proposal. The District may, in its sole discretion, disqualify non-responsive proposals from further evaluation.

1.3 Public Information Act and Confidentiality: All proposals, documentation, and technical materials submitted in response to this RFP become the property of Bishop CISD and are subject to the Texas Public Information Act (TPIA), Texas Government Code Chapter 552.

- Pre-Award Confidentiality**:** To the extent permitted by law, proposals will remain confidential during the evaluation process until a contract is awarded or the solicitation is cancelled.
- Proprietary Information**:** Pricing, contract terms, and information required to establish compliance with E-Rate rules become public information once an award is made or upon open record requests after bid evaluation. Bidders claiming confidential, trade secret, or proprietary status on any portion of their proposal must:
    - Clearly mark those specific pages, sections, or trade secrets as "CONFIDENTIAL / PROPRIETARY".
    - Provide a detailed explanation justifying the exemption under Texas Government Code §552.110.

- Texas Attorney General Ruling**:** A blanket marking of the entire proposal as "confidential" or "proprietary" is invalid and will be ignored. If an open records request is received for marked materials, Bishop CISD will notify the vendor in accordance with TPIA provisions; however, the vendor is solely responsible for submitting arguments to the Texas Office of the Attorney General to defend its confidential assertion. Bishop CISD assumes no liability for the disclosure of unmarked information or disclosures mandated by Texas law.

1.4 Costs of Preparation: Bidder assumes all costs of preparation of the proposal and any presentations necessary to the proposal process.

1.5 Debarment: Submission of a signed proposal in response to this solicitation is certification that the bidder (or any sub-vendor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any City, State or Federal department or agency including, but not limited to the FCC and USAC. Submission is also an agreement that Bishop CISD will be notified of any change in this status.

1.6 Proposal Understanding: By submitting a proposal, the bidder agrees and assures that the specifications are adequate, and the bidder accepts the terms and conditions herein. Any exceptions should be noted in the bidder's proposal.

1.7 Proposal Validity: Unless otherwise specified, all proposals shall be valid for 180 days after the due date of the proposal.

1.8 Errors: Proposals may be withdrawn or amended by bidders at any time prior to the proposal opening. If a significant mistake has been made by the apparent low bidder, the bidder will be given the option of fulfilling the contract at the proposed price or withdrawing the proposal. If an extension error has been made, the unit price will prevail.

2.0 General Terms and Conditions:

2.1 Contract Documents: If a separate contract is not written, the contract entered into by the parties shall consist of the RFP, the signed proposal submitted by the Vendor, the specifications including all modifications thereof, and a purchase order or letter of agreement requiring signatures of Bishop CISD and the Vendor, all of which shall be referred to collectively as the Contract Documents.

2.2 Contract Validity: In the event one or more clauses of the contract are declared invalid, void, unenforceable or illegal, that shall not affect the validity of the remaining portions of the contract.

2.3 Contract Administration: If the Vendor needs clarification of, or deviation from the terms of the contract, it is the Vendor's responsibility to obtain written clarification or approval from Sheri Hayes, Bishop Consolidated Independent School District, 719 E. Sixth Street, Bishop TX 78343 or at shayes@bishopcisd.net.

2.4 Litigation: The Contract and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Texas without reference to its conflicts of laws principles. The Vendor agrees that any litigation action or proceeding arising out of this Contract shall be instituted in a state court located in the State of Texas

2.5 Tax Exemption: The Bishop Consolidated Independent School District is a governmental entity and is exempt from the payment of Federal Excise Taxes on articles not for resale, the Federal Transportation Tax on all shipments, and state sales tax. The vendor and sub vendor shall quote and shall be reimbursed less these taxes. Upon application, exemption certificates will be furnished when required.

2.6 Equal Opportunity: In the execution of the contract, the Vendor and all sub vendors agree, consistent with Bishop CISD policy, not to discriminate on the grounds of race, color, religion, sex, sexual orientation, national origin or citizenship status, age, disability or veterans status and to provide reasonable accommodations to qualified individuals with disabilities upon request.

2.7 Independent Vendor: Whether the Vendor is a corporation, partnership or other legal entity, the Vendor is an independent vendor. The manner in which services are performed shall be controlled by the Vendor, however, the nature of the services and the results to be achieved shall be specified by the Bishop Consolidated Independent School District. The Vendor is not to be deemed an employee or agent of Bishop CISD and has no authority to make any binding commitments or obligations on behalf of Bishop CISD except as expressly provided herein.

2.8 Indemnification: The Vendor agrees to be responsible for, and to protect, save harmless, and indemnify Bishop CISD and its employees from and against all loss, damage, cost and expense (including attorneys fees) suffered or sustained by Bishop CISD or for which Bishop CISD may be held or

become liable by reason of injury (including death) to persons or property or other causes whatsoever, in connection with the operations of the Vendor or any sub vendor under this agreement.

2.9 Quantities: The quantities shown on this request are based on estimated needs. Bishop CISD reserves the right to adjust quantities up or down to meet actual needs.

2.10 Payment: It is the District's desire to use **Service Provider Invoicing (SPI)** for all services and equipment related to this RFP. If a vendor is unable or unwilling to provide Service Provider Invoicing, the vendor must notify the district in their response to this RFP. Payment of the undiscounted portion of the project will be made upon receipt of a correct invoice for goods and/or services that have been delivered, installed and accepted. A vendor may submit an invoice for partial installation. All materials must be installed, inspected and approved by Bishop CISD prior to final payment. If materials are damaged during installation, the vendor must replace the product with like product prior to final payment.

2.11 Cancellation: Bishop CISD reserves the right to cancel this contract without pecuniary risk or penalty upon written notice of the intent. The District reserves the right to cancel this contract upon written notice of the intent. If at any time the vendor fails to fulfill or abide by the terms, conditions, or specifications of this contract, Bishop CISD reserves the right to cancel upon thirty days written notification of the intent.

3.0 Insurance:

3.1 Liability Insurance: Vendor must provide evidence of liability and workers comp insurance with this proposal. Bishop CISD retains the right of approval for insurance coverage. Bishop CISD shall be named as an Additional Insured on the Commercial General Liability insurance. Certificates of Insurance for all of the above insurance shall be filed with the Bishop CISD. Certificates shall be filed prior to the date of performance under this Agreement.

4.0 Evaluation Process:

Bishop CISD will evaluate all responsive proposals using the weighted criteria outlined below. In accordance with FCC E-Rate rules, the price of E-Rate eligible goods and services is weighted as the primary factor in the evaluation process.

Purchase price of Erate eligible goods and services: 30%

The reputation of the vendor and of the vendor's goods and services:15%

The quality of the vendor's goods or services: 15%

The extent to which the goods or services meet the District's needs: 15%

The vendor's past relationship with the District: 13%

The impact on the ability of the District to comply with laws relating to historically underutilized businesses: 2%

The total long-term cost to the District to acquire the goods or services: 10%

4.1 Disqualification Criteria

The following criteria will be used by the District to disqualify a bid.

Bids submitted after the due date

Bids submitted via fax

Non-responsive proposals (see 1.2)

Responses that do not include pricing for specific services or equipment requested in this RFP

Bids that do not include site- or project-specific details, and/or are not responsive to the applicant's requests

SPAM bids[1]

Robotic bids

Absence of valid Service Provider Identification Number (SPIN)

Absence of current FCC Form 473, Service Provider Annual Certification (SPAC) on file with USAC/SLD.

5.0 Confidential Information:

Bidders are advised that materials contained in their proposals are subject to the Public Information Act and may be viewed and/or copied by any member of the public, including news agencies and competitors. Bishop CISD reserves the right to reject any or all proposals received, or to award a contract on the basis of initial offers received without discussions or clarifications. Therefore, the proposal should contain the vendor's best price and technical response based on the RFP.

6.0 Bishop CISD Obligations:

Bishop CISD accepts no obligations for costs incurred by vendors responding to this RFP or on being awarded the contract. Bishop CISD reserves the right to select a proposal without discussion with the vendors. It is understood that proposals shall become part of Bishop CISD's official files. Retention of these proposals does not obligate Bishop CISD to any action. Bishop CISD reserves the right to reject any and all proposals received.

---

[1] Emails to the applicant saying that the service provider can provide the general type of service requested and asking for a call-back is not a good faith response to an FCC Form 470 posting and will be considered a SPAM bid

7.0 Default Conditions:

If the contracted service provider breaches any provision, becomes insolvent, enters voluntary or involuntary bankruptcy or receivership proceedings, or makes an assignment for the benefit of creditors, Bishop CISD will have the right (without limiting any other rights or remedies that it may have in the contract or by law) to terminate this contract with five days written notice to the service provider. Bishop CISD will then be relieved of all obligations, except to pay the value of the service provider's prior performance (at not exceeding the contract rate). The service provider will be liable to Bishop CISD for all costs exceeding the contract price that Bishop CISD incurs in completing or procuring the service as described in this document. Bishop CISD's right to acquire strict performance of any obligation in this contract will not be affected by any previous waiver, forbearance or course of dealing.

ERate Contract Terms

The contract may be subject to Bishop CISD receiving ERate funding in the form of a funding commitment decision letter in the amount requested. Prices must be held firm for the duration of the ERate 2027 funding year ending June 30, 2028, or until all work associated with the project(s) are complete (including any SLD approved extensions). The work shall be subject to the following conditions:

1. Only applicants holding a valid Service Provider Identification Number (SPIN) are eligible to respond to this RFP. Entities holding "Red-Light Status" with the FCC or are under any state of debarment as stated in the "Debarment" section listed above are not eligible to respond to this RFP and no proposals submitted by such entities will be considered.
2. Bishop CISD expects the proposer/Service Provider to make themselves thoroughly familiar with any rules and regulations regarding the ERate program.
3. All contracts entered into as a result of this RFP may be contingent upon the specific funding of the FRN at the percentage rate submitted for.
4. Once a funding commitment decision letter has been issued the maximum percentage Bishop CISD will be liable for is the pre-discount amount minus the ERate funded amount.
5. No Category 2 installation work can take place before April 1, 2027.
6. In the event of questions during the ERate audit process, the successful vendor is expected to reply within 3 days to questions associated with their proposal(s).
7. Bishop CISD reserves the right to deny any or all proposals associated with this RFP, even after ERate funding approval.
8. Bishop CISD reserves the right to fund, or partially fund (proceed with project or purchase) regardless of ERate approval.

8.0 Scope of Work

8.1 NETWORK GEAR LICENSE RENEWAL

1. Overview & Objective

The District is requesting competitive proposals for multi-year software and security subscription renewals for its existing Cisco Meraki network hardware detailed below. The District is actively migrating from the legacy Co-Termination model to Cisco Meraki's Subscription Licensing model. The objective is to secure continuous software support, security updates, hardware replacement coverage, and central cloud management for the District's active network infrastructure under the Subscription model.

2. Scope of Requirements

Bidders must submit subscription licensing proposals for the exact quantities and equipment models specified below:

Quantity	Model / Description	Subscription License Description / SKU
168	Cisco Meraki MR Series	Meraki MR Essentials Subscription LIC and Support / LIC-MR-E or functional equivalent.
1	Cisco Meraki MX250	Meraki MX X-Large Advantage Subscription LIC and Support / LIC-MX-XL-A or functional equivalent.

3. Subscription & Licensing Requirements

- **Dashboard Alignment:** All proposed licenses must use Cisco Networking Subscription Licensing and be claimed and managed within the District's existing Cisco Meraki Dashboard organization.
- **Co-Term to Subscription Transition Support:** Bidders must provide guidance, documentation, and assistance for transitioning the District's existing organization from Co-Term to Subscription Licensing. This must include confirming migration eligibility and timing, coordinating subscription start dates with the existing license expiration, claiming subscriptions, and binding existing networks to the appropriate subscriptions without disrupting network operations.
- **Subscription Term Alignment:** All subscriptions within the selected 3-year or 5-year option must share a common end date unless otherwise approved by the District.
- **Preservation of Existing Configuration:** The proposed solution must preserve the District's existing Dashboard organization, networks, device assignments, and configurations. It must not require a separate Dashboard organization or removal and re-registration of existing hardware.

4. Term Options

Vendors must provide distinct cost proposals for each of the following subscription durations:

- **Option A:** 3-Year Renewal Term

- **Option B:** 5-Year Renewal Term

5. Cost Breakdown & E-Rate Eligibility

To ensure compliance with E-rate funding guidelines:

- **Cost Line Items:** Pricing must be itemized per SKU/line item.
- **Eligible vs. Ineligible Identification:** Bidders must clearly identify and separate the cost portions of all offered subscriptions that are eligible versus ineligible as per E-rate rules (e.g., separating core firewall functionality from advanced content filtering, cloud security, or malware protection features where required).

6. Vendor Requirements

- Bidders must be an authorized Cisco Meraki Reseller/Partner in good standing with Cisco Systems, holding valid authorization to sell Meraki subscriptions to educational entities, ensuring all purchased subscriptions are directly backed by official Cisco Meraki TAC support, cloud platform access, and manufacturer warranty.

8.2 NEW IDF EXPANSION & INFRASTRUCTURE BUILDOUT

1. Overview & Objective

The District requires a turnkey installation of a new Intermediate Distribution Frame (IDF) located in the Luehers Junior High School Band Hall to expand network coverage and connectivity. Bidders must provide a complete solution, including cabling, network hardware, power backup, mounting enclosures, and installation services.

2. Scope of Work & Equipment Specifications

Bidders must quote equipment meeting or exceeding the specifications below, including all necessary mounting hardware, patch cables, and accessories:

Item / Description	Specifications / Minimum Requirements / Reference	Qty
Fiber Optic Backbone Run	~300 ft indoor/outdoor armored fiber optic cable (OM4 multimode or OS2 single-mode) from the LJHS Band Hall and the campus MDF located in the LJHS Cafeteria, including termination, patch panels, testing, and labeling.	1 Run
Transceiver Optics	10G SFP+ optical transceivers compatible with proposed core and switch hardware to light the new fiber run.	2

Access Switches	24-Port PoE+ Managed Switch with 10G uplink capability (Reference: Cisco Catalyst 9300 Series or functional equivalent). **Note: One switch will be installed in the new IDF and one will be installed in the Technology Office IDF. Technology Office IDF switch will not require optics or cabling.**	2
Switch Licenses	Cloud based or on-premises management licensing, software updates, manufacturer support, and subscriptions necessary for full operation of the proposed solution. Provide separate pricing for: ● 3-Year software licensing, support, and subscriptions (if applicable) and, ● 5-Year software licensing, support, and subscriptions (if applicable).	
Wall-Mount IDF Enclosure	Lockable, wall-mounted rack enclosure (e.g., 12U–18U swing-out cabinet) with integrated ventilation, patch panels, and cable management.	1
Uninterruptible Power Supply	Rack-mounted UPS providing a minimum of **20 minutes of runtime** under full load for the installed switch and AP.	1
Wireless Access Point	Cloud-Managed WiFi 7 Wireless Access Point (Reference: CW9172i Series or functional equivalent)	1
Wireless Access Point License	Licensing, management, support, and subscription costs necessary for full operation of the proposed access point in a cloud-managed environment. Provide separate pricing for: ● 3-Year Subscription License and Support (Reference: Cisco Wireless Essentials Subscription License and Support (LIC-CW-E) or functional equivalent) and, ● 5-Year Subscription License and Support (Reference: Cisco Wireless Essentials Subscription License and Support (LIC-CW-E) or functional equivalent).	1

Horizontal Network Drop (Band Hall)	Cat6A plenum-rated horizontal cable run from the new IDF to the specified location in the Band Hall, terminated to a wall-mounted surface box with a dedicated RJ45 jack, tested, certified, and labeled at both ends.	1 Drop
Installation & Labor	Turnkey installation, rack mounting, cabling execution, labeling, patching, and testing.	1 Lot

3. Cable Installation Requirements

- **Fiber Pathing & Conduit:** Fiber must be run through existing pathways/conduit where available or installed in protective innerduct/conduit where required by local code.
- **Testing & Certification:** Vendor must perform Tier 1 optical loss testing (OTDR test results provided to the District upon completion) to certify the ~800' fiber link.
- **Copper Cabling Standards:** All horizontal cabling for the Band Hall drop must be ANSI/TIA-568 compliant Cat6A plenum-rated cable, supported by J-hooks or existing cable trays where applicable, avoiding electrical interference.
- **Copper Testing & Certification:** Vendor must test the Cat6A link for continuity, wire map, length, and transmission performance using a calibrated cable certifier, and provide test results to the District upon completion.

4. Pricing Breakdown & E-Rate Eligibility

- **Line-Item Pricing:** Vendors must itemize hardware, fiber cabling materials, software licenses, and professional service/installation fees separately.
- **Cabling Material and Cabling Labor**: Proposals must include a clear line-item separation between cabling materials and installation labor. This includes both fiber and copper cabling.
- **E-Rate Category 2 Split:** Bidders must clearly identify E-Rate Category 2 eligible components (cabling, switch, UPS supporting network gear, AP) versus any non-eligible components or labor.

Brands:

Brand names that are included in this proposal request are for descriptive purposes, to indicate the quality, design and utility desired. These specifications are not intended to restrict competition. Brands of equal make or type to those specified are acceptable unless otherwise indicated in this proposal request. Each proposer shall indicate the manufacturer's name and model number of the brands being proposed.

Or Equal:

Whenever any materials, apparatus, equipment or process is indicated or specified by patent or proprietary name and/or manufacturer, the name so indicated shall be deemed and constructed to be followed by the words, “or approved equal or greater”. If an “or equal or greater” is proposed, the proposer will specify what brand, grade, model, etc. of any proposed substitute. The proposer must also provide a specification sheet and picture of the proposed product. The proposer shall clearly state any

differences on the proposal sheet, not on an attachment of any kind. Bishop CISD shall determine if the substitution is an equal or greater product after reviewing these items.

Substitutions:

Substitutions of brands after the award are not allowed unless prior approval from Bishop CISD has been received. Substitutions must be submitted to Bishop CISD 30 days prior to substitution. If an item is purchased and later discovered not to meet the original specifications, the vendor shall assume all responsibility and make adjustments as required by the district.

Notice: Lowest Corresponding Price

As required by Section 54.500(f) of Part 47 of the Code of Federal Regulation all bids in response to this RFP must offer the lowest corresponding price (LCP) which is defined as the lowest price that a service provider charges to nonresidential customers who are similarly situated to a particular E-rate applicant (school, library, or consortium) for similar services. See http://www.usac.org/sl/service-providers/step02/lowest-corresponding-price.aspx for more information on the requirements relating to LCP.

9.0 Bishop CISD Responsibilities

Bishop CISD will provide access during the process of the installation to allow the vendor and its employees access to the premises at all reasonable hours or at such hours as the school district and vendor may agree.

It is understood that the vendor will not be held accountable for any delays caused/permitted Bishop CISD.

If the purchase is being made on an E-rate funded equipment or service and Bishop CISD does not receive the full amount of requested E-rate funding, the applicant has the discretion to nullify and cancel the contract.

10.0 Vendor's Responsibilities

The vendor must provide all supervision, labor construction tools, equipment, hardware, wiring materials as specified, transportation, construction, unloading, inspecting, and inventory. Whenever in the RFP the terms "provide," "furnish," "supply," or "install," etc. can be interpreted as requiring the vendor both to furnish and/or install materials, unless specifically notified that provisioning/installation of the materials will be handled by the School District, such tasks will be performed by the vendor.

The vendor will;

- Provide for the installation of all conduits and sleeves through firewalls as required meeting codes,

- Install the wire, cable, and any associated hardware in accordance with the manufacturer's specifications,
- Conduct tests and inspections in the presence of the School District personnel after installation has been completed in order that the School District may be assured that the requirement for the installations are met
- Promptly correct all defects for which the vendor is responsible
- Coordinate all work with the School District's contact. This contact will be designated at a future date, before the commencement of the installation.

Upon completion of the work each day, the vendor must remove all tools, equipment, rubbish and debris from the premises and must leave the premises clean and neat. Vendors may use subcontractors to perform work. However, all responsibilities rest with the vendor. The vendor will provide the School District with complete detailed test results as outlined in this RFP. The test results must be delivered to the School District prior to payment. The vendor shall describe and provide a written document of the appropriate product and/or cable plant warranty periods and conditions. Access to buildings with children will occur with proper notification to Sheri Hayes.

Required Background Checks, Fingerprinting, and Safety Certifications

In accordance with Texas Education Code (TEC) §22.0834 and §22.08341, any vendor, contractor, or subcontractor (and their respective employees) who will perform continuing duties related to the contracted services and will have potential or actual direct contact with students must undergo a national fingerprint-based criminal history review before commencing work on Bishop CISD property.

- DPS FACT Clearinghouse & FBI Fingerprinting: All covered personnel must be fingerprinted through the Texas Department of Public Safety (DPS) Fingerprint Applicant Services of Texas (FAST) system or the Fingerprint Application Clearinghouse of Texas (FACT). Standard commercial or third-party background checks do not substitute for FBI/DPS fingerprint clearance.
- Disqualifying Convictions: In accordance with TEC §22.085, no employee, subcontractor, or agent of the vendor who has been convicted of a Title 5 felony offense, an offense requiring sex offender registration, or an equivalent offense under federal or state law involving a minor or student, shall be permitted on school property.
- TEA "Do Not Hire" Registry Check: Prior to assigning any personnel to Bishop CISD, the vendor must certify that they have checked the Texas Education Agency (TEA) "Do Not Hire" Registry and confirmed that no assigned individual is listed as ineligible for employment in Texas public schools.
- Vendor Certification & Cost: The awarded vendor assumes full responsibility for all costs associated with fingerprinting and criminal history checks. The vendor must provide a signed certification to Bishop CISD confirming that all personnel deployed on-site have cleared all statutory background requirements prior to their arrival.

- Identification Badges & On-Site Protocol: All vendor and subcontractor personnel must visibly display district-issued or vendor-issued photo identification badges at all times while on Bishop CISDproperty. Vendors must strictly enforce a policy prohibiting personnel from interacting with students or entering unauthorized instructional areas.
- Right to Refuse Access: Bishop CISD reserves the right to deny access to, or require the immediate removal of, any vendor employee or subcontractor deemed unsuitable, non-compliant, or who poses a potential safety risk to students or staff. Non-compliance with these safety provisions constitutes a material breach and grounds for immediate contract termination.
