It shall be the responsibility of each Bidder to confirm prior to submission of a Bid that it has received all Addenda. Failure of a Bidder to acknowledge receipt shall not relieve the Bidder from the requirements of the Bid, including all Addenda issued. Failure to comply with this requirement does not automatically make a Bid non-responsive. By submitting a Bid, the Bidder agrees that it is bound by its Bid and that it will accept any Contract awarded even if it did not obtain all Addenda before submitting a Bid.

All questions received timely, including those at the Conference, shall be addressed by written Information Item. The Bid Documents shall not be modified by an Information Item. Bid amounts shall be as reflected on the Bid Form Pricing Schedule.

Include only one price for each line item for which a price is to be provided.

11. SUBMISSION OF PROPRIETARY INFORMATION

The Virginia Public Procurement Act provides limitations on the right of a Bidder to assert that information submitted as part of a Bid is proprietary information or contains trade secrets which are not subject to public disclosure. For any information the Bidder seeks to exclude from public disclosure, the burden shall be on the Bidder to comply with all applicable requirements of the Virginia Public Procurement Act. Any documentation related to such attempt to preserve limitation of public disclosure of any information shall be submitted as a part of the bid submission but as a separate Exhibit properly marked with page numbers to clearly establish the intent of such submission. Bidders may not declare the entire Bid proprietary, nor may they declare the pricing to be proprietary.

12. BID EVALUATION

It is the intent to award all items to a single responsive and responsible bidder on the basis of the best value as determined by the point weighting for those criteria listed in the Evaluation Criteria section of the Instruction to Bidders, and who is compliant with all provisions of the ITB.

For each Bid received, and for each criterion listed below, MCPS will assign a number of evaluation points reflecting, in their sole opinion, the degree by which the Bid satisfies each criterion. A sum of the resulting

evaluation points will identify the Bid(s) which represent the best value per category. It is the intention of MCPS to award one (1) Contract for all individual categories to the Bidder having the highest combined number of evaluation points for all categories.

If MCPS deems it necessary or in its best interests to make award to more than one Bidder for a given category, the additional awards will be made to responsible Bidders submitting responsive Bids in ascending order starting with the second highest scoring category and continuing until, in the sole discretion of MCPS, sufficient awards have been made to fulfill the anticipated requirements. In the event multiple awards are made, no minimum percentage of the Work is guaranteed to any Contractor. When multiple awards are made, preference will be given to the Bidder garnering the highest scoring category in ordering performance, subject to the reasonable discretion of MCPS in achieving prompt, efficient and acceptable performance.

Award of any Contract shall not create any minimum or guaranteed quantity of Goods or Services to be ordered by MCPS during the term of the Contract, which quantities shall be at the sole discretion of MCPS.

If the lowest responsive Bid from a responsible Bidder projects to a price in excess of available funds based upon anticipated needs for the Initial Contract term, or exceeds the permissible maximum for a term contract, the right is reserved to MCPS to negotiate with the apparent low Bidder to obtain a pricing structure which will result in the anticipated needs for the Initial Contract term being within available funds. Such negotiation may include consideration of value engineering, substitution of materials or equipment, modification of unit pricing, and such other modifications of the proposed scope of Work or other Contract requirements which are consistent with the Work as initially solicited and with the public needs MCPS has a duty to satisfy. MCPS and the apparent low Bidder will discuss all such proposed means for reduction of the cost of anticipated needs for a period not to exceed sixty (60) days from the Bid Opening, and if unable to reach agreement within that time all Bids shall be rejected and the solicitation shall be cancelled.

MCPS reserves the right to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the School Division. MCPS also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.

In determining the responsibility of a bidder, the following criteria may be considered:

- The ability, capacity and skill of the bidder to perform the contract or provide the service required;
- Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;
- The character, integrity, reputation, judgment, experience and efficiency of the bidder;
- The quality of performance of previous contracts or services;
- The previous and existing compliance by the bidder with laws and ordinances relating to the contract or services;
- The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;
- The quality, availability and adaptability of the goods or services to the particular use required;
- The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
- The number and scope of the conditions attached to the bid;
- Whether the bidder is in arrears to MCPS on debt or contract or is a defaulter on surety to MCPS or whether the bidder's County taxes or assessments are delinquent; and
- Such other information as may be secured by MCPS Chief Procurement Officer having a bearing on the decision to award the contract. If an apparent low bidder is not awarded a contract for reasons of non-

responsibility, MCPS Chief Procurement Officer shall so notify that bidder and shall have recorded the reasons in the contract file.

Lowest pricing, quality goods and services, availability, warranty, return policy and service are factors in awarding this contract. MCPS reserves the right to:

- Accept other than the lowest price
- Waive minor defects or technicalities, formalities and informalities
- Award items by "group," whenever it is deemed in the best interest of MCPS
- Award either in whole or in part, whichever is deemed in the best interest of MCPS
- Reject any or all bids, in whole or in part, to waive any informality and to delete items prior to making the award, whenever it is deemed in the sole opinion of MCPS to be in its best interest
- Award to multiple vendors
- To make the sole determination if any item is an equal
- Request the submission of bid modifications at any time before the award is made. Alter the scope of work reasonably and bid documents until a contract is executed. This is an accepted practice if all bids are over budget.

13. BID WITHDRAWAL

All Bids may be amended and/or withdrawn by a Bidder if the request is received in writing before the Bid Closing. The request must be signed by a person authorized to bind the Bidder that submitted the Bid. Submission of a subsequent Bid, unless specifically identified as an additional Bid, shall constitute the withdrawal of any prior Bid submitted by the same Bidder on the same ITB.

Withdrawal of Bids after opening is governed by the Code of Virginia §2.2-4330. The Bidder shall give notice in writing of their claim of right to withdraw their bid within two (2) business days after the conclusion of the Bid Opening and shall submit the original work papers with such notice.

Whether the request to withdraw a Bid is made before or after the Bid Closing, a Bidder may request withdrawal of its Bid from consideration only if the price bid was substantially lower than the other bids due solely to a clerical or arithmetical mistake therein, as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the Bid, which can be clearly shown by objective evidence drawn from inspection of the Bidder's original work papers, documents and materials used in preparation of the Bid. The Bidder shall provide the original work papers, documents and materials within the same time as required for the notice seeking withdrawal of the Bid.

Bids submitted as of the Bid Closing shall remain in effect for a minimum of ninety (90) days following the Bid Opening if not permitted to be withdrawn as provided in the instructions above. If MCPS fails to either issue a notice of intent to award, make an award, or request an extension of Bids prior to the expiration of such ninety (90) days, this solicitation shall be deemed cancelled. MCPS may request an extension of bids prior to the expiration for a time stated in the request. No Bidder shall be required to consent to such extension and, if the Bidder declines to consent to the extension request, its Bid will be deemed withdrawn at the end of the ninetieth (90^{th}) day after the Bid Opening and will not be considered further. For purposes of this circumstance only, the restrictions specified above on withdrawal of a Bid are not applicable.

No Bidder who is permitted to withdraw a Bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the Contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

14. TIE BIDS

If any or all Bids are for the same total amount or unit price (including authorized discounts and delivery terms), the MCPS Chief Procurement Officer shall award the Contract to the tie Bidder providing goods produced in Virginia or goods and/or services provided by Virginia persons, firms or corporations. If there are more than one such tie Bid, then the Chief Procurement Officer, may, in his or her sole discretion, divide the Contract among the Bidders (if the solicitation provided for multiple awards), award to a Bidder domiciled in the City of Manassas, or award a Contract by lot from among the responsive and responsible Virginia Bidders and if no Bidders are domiciled in Virginia, then the tie shall be decided by lot among the responsive and responsible Bidders. The Chief Procurement Officer may, in his or her sole discretion, re-advertise the solicitation.

15. AWARD OF CONTRACT

It is the intent to award all items to a single responsive and responsible bidder on the basis of the best value as determined by the point weighting for those criteria listed in the Evaluation Criteria section of the Instruction to Bidders, and who is compliant with all provisions of the ITB.

For each Bid received, and for each criterion listed below, MCPS will assign a number of evaluation points reflecting, in their sole opinion, the degree by which the Bid satisfies each criterion. A sum of the resulting evaluation points will identify the Bid(s) which represents the best value per category. It is the intention of MCPS to award one (1) Contract for all locations to the Bidder having the highest combined number of evaluation points for all locations.

Unless otherwise directed by MCPS, any Work in progress at the time of expiration of a Contract term may continue and be completed under the terms of the existing Contract at the time the Purchase Order for the Work was issued, but must be completed no later than six (6) months following the expiration of the Contract term in which the Purchase Order was issued.

Submission of a Bid by any Bidder to which an award is made, if made, is a certification that the Bidder has exercised due diligence to become familiar with the anticipated conditions at all Project Sites, become familiar with local conditions under which the Work is to be performed, and has examined all Contract Documents.

The form of Contract to be signed by MCPS and any awarded Bidder, if made, shall be the form included in these Bid Documents and identified as “Agreement”. One (1) electronic copy shall be electronically signed by both the Owner and the Contractor.

16. PROTEST OF AWARD OR DECISION TO AWARD

Any Bidder may protest the award or decision to award a Contract by submitting a protest in writing to the Chief Procurement Officer, no later than ten (10) calendar days after public Notice of Intent to Award or the announcement of a Decision to Award, whichever occurs first. Any potential Bidder on a Contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such Contract shall submit such protest in the same manner no later than ten (10) calendar days after posting or publication of the notice of such Contract. The written protest shall include the basis for the protest and the relief sought. The Chief Procurement Officer shall issue a decision in writing within ten (10) days of receipt of the protest stating the reasons for the action taken.

(a) If, prior to award, it is determined that the Decision to Award is arbitrary and capricious then the sole relief shall be a finding to that effect. The Chief Procurement Officer shall cancel the proposed award or revise it to comply with the law.

(b) If, after an award, it is determined that an award of a contract was arbitrary and capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the Contract may be declared void by MCPS. Where the award has been made and performance has begun, the Chief Procurement Officer may declare the contract void upon a finding that this action is in the best interest of MCPS. Where a Contract is declared void, the performing Contractor shall be compensated for the cost of performance at the rate specified in the Contract up to the time of such declaration. In no event shall the performing Contractor be entitled to lost profits.

(c) Pending final determination of a protest or appeal, the validity of a Contract awarded and accepted in good faith in accordance with this paragraph shall not be affected by the fact that a protest or appeal has been filed.

(d) An award need not be delayed for the period allowed for a Bidder to protest, but in the event of a timely protest, no further action to award the Contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the Bid would expire.

17. INSURANCE REQUIREMENTS

Each Bidder shall review the Insurance Requirements section carefully with its insurance agent or broker prior to submitting a Bid to ensure they can provide the specific coverage requirements and limits applicable to this solicitation. If the Bidder is not able to meet the insurance requirements of this solicitation, alternate insurance coverage acceptable to MCPS may be proposed by the Bidder and considered by MCPS. Written requests for consideration of alternate coverage must be received by the MCPS Chief Procurement Officer at least ten (10) calendar days prior to the date and time Bids are set to be received. If MCPS denies the request for alternate coverage, the coverage required by the Insurance Checklist or Requirements section must be provided. The Insurance Requirements Provision can be found in Attachment D.

18. CERTIFICATION REGARDING CRIMINAL CONVICTIONS

As a condition for awarding a Contract for the provision for the Work that requires the Contractor or his employees to have direct contact with students on school property during regular school hours or during school-sponsored events, the Manassas City School Board shall require the Contractor to provide certification that all persons who will provide such services have not been convicted of a felony or any offense involving the sexual molestation or physical or sexual abuse or rape of a child. The Contractor certification covers its employees, its subcontractors and the employees thereof. The Certification can be found in Attachment A.

The Contractor certification shall also cover its employees, its subcontractors and employees thereof assigned to the Work after the Contract award. The Contractor, upon demand from MCPS, shall provide all information, which allowed for the Contractor's certification. The Contractor shall submit to MCPS a completed Contractor's Criminal Conviction Certification on the form provided in this ITB.

19. INCLEMENT WEATHER POLICY

Due to inclement weather conditions, MCPS may elect to close schools and/or administrative offices. The following is an explanation of the policy.

CODE GREY: Schools are closed and Administrative Offices are on a two (2) hour delay
CODE BLUE: Schools are closed and Administrative Offices are closed

20. BID SECURITY

No bid security is required for this solicitation. However, by submitting a Bid the Bidder agrees that if the Contract is awarded to the Bidder and the Bidder fails to execute the Contract and proceed with performance of the Contract, Bidder will pay MCPS the difference between the cost of performance during the initial term

of the Contract by the next low responsive, responsible Bidder and what would have been paid to the Bidder for the same Work.

21. PERFORMANCE AND PAYMENT BONDS

No performance bond and/or payment bond is required for any Contract Award based upon this solicitation.

22. QUOTATION LIMITATION

Bidders shall offer only **one item and price** for each line item bid. Alternatives will be accepted only if the Bid Form expressly requests alternates. Substitutions will be permitted only if approved as required in this solicitation. Only a single line item and price will be considered in calculating the Bid Evaluation Formula and making an award. MCPS reserves the right to add or delete similar items and/or services specified in any resulting Contract as requirements change during the Contract period. MCPS and the Contractor will mutually agree to prices for those items and/or services to be added to the Contract. This statement shall also apply to any subcontractor(s) the Bidder intends to use in the performance of any resulting contract.

25. EXHAUSTION OF ADMINISTRATIVE REMEDIES

No potential Bidder shall institute any legal action until all administrative remedies available under this solicitation and resulting contract have been exhausted and until all statutory requirements have been met.

26. ETHICS IN PUBLIC CONTRACTING/NON-COLLUSION

By submitting a response, Bidders certify that their response is made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Bidder, supplier, manufacturer or subcontractor in connection with their proposal. Bidder shall certify they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value present or promised unless consideration of substantially equal or greater value was exchanged.

27. CONFLICT OF INTEREST STATEMENT

By signing the Bid, the Bidder certifies, that to the best of his/her knowledge no MCPS official or employee having official responsibility for the procurement transaction or member of his/her immediate family has received or will receive any financial benefit of more than nominal or minimal value relating to the award of this contract. If such a benefit has been received or will be received, this fact shall be disclosed with the Bid or as soon as thereafter it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension or debarment, recession of the contract, or recovery of the cost of the financial benefit from the contractor, recipient or both.

Whenever there is a reason to believe that benefit of the sort descried in the paragraph above has been or will be received in connection with the Bid or Contract and that the Contractor has failed to disclose such a benefit, or has inadequately disclosed it, MCPS, as a prerequisite to payment pursuant to the Contractor, or at any time may require the Contractor to furnish, under oath, answers to any interrogatories related to such possible benefit.

In the event the Bidder has knowledge of benefits as outlined above, this information should be submitted with the bid. If the above does not apply at the time of Contract award and becomes known after inception of a contract, the Bidder shall address the disclosure of such to the Chief Procurement Officer in the Procurement Office. The ITB number shall be referenced in the full disclosure.

28. EXPENSES INCURRED IN PREPARING BID

MCPS accepts no responsibility for any expense incurred by any Bidder in the preparation and presentation of a Bid. All expenses related to a Bid are the sole responsibility of the Bidder.

29. MANDATORY USE OF MCPS FORM AND TERMS AND CONDITIONS

Failure to submit a Bid on the official MCPS form provided for that purpose may be cause for rejection of the Bid. Modifications of or additions to the General and/or Special Terms and Conditions of this Solicitation may be cause for rejection of the Bid. However, the Chief Procurement Officer reserves the right to decide, on a case-by-case basis, in his/her sole discretion, whether to reject such a bid as non-responsive. As a precondition to its acceptance, MCPS may, in its sole discretion, request that the Bidder withdraw or modify non-responsive portions of a Bid, which do not affect quality, quantity, price or delivery schedule.

30. METHOD OF AWARD

Except with a Requirements Contract, a Contract for non-professional services or as expressly provided herein, MCPS intends to award a single contract.

31. MINIMUM BIDDER QUALIFICATIONS

MCPS may make such reasonable investigations as deemed proper and necessary to determine the ability of the Bidder to perform the Work and/or furnish the item(s). Bidder shall furnish to MCPS all such information and data for this purpose as may be requested. MCPS further reserves the right to reject any bid or proposal if the evidence submitted by, or investigations of, such Bidder fails to satisfy MCPS that such Bidder is properly qualified to carry out the obligations of the Contract and to complete the Work contemplated herein.

Bidders must have a minimum of three (3) years of continuous experience, before the date of submission of their Bid, in the management and operation of a business engaged in providing the Work and currently engaged in providing these services to commercial or public body accounts under Contract. 32. MANDATORY REQUIREMENTS

2. If the Bidder is a joint venture, a copy of the written joint venture agreement.
3. If the Bidder is a partnership, a copy of the written partnership agreement.

Failure of the Apparent Low Bidder to provide the omitted Class 2 Mandatory Requirements within the stated timeframe will result in the Bid from the Apparent LowBidder being considered non-responsive and no longer considered for Contract award.

The Bid from the Second Apparent Low Bidder will then be considered for Contract award. If any Class 2 Mandatory Requirement is not provided with the Bid of the Apparent Second Low Bidder, the Apparent Second Low Bidder will be Notified by the Procurement Office that the omitted Class 2 Mandatory Requirements **must** be received by the Procurement Office by no later than 5:00 PM on the fifth (5^{th}) business day following the Notice to provide the information.

This process will continue until a Contract, within budget, is awarded, or MCPS determines it to be in the best interests of MCPS to reject all bids and cancel the solicitation.

33. MANDATORY E-RATE REQUIREMENTS

Offerors responding to this RFP are advised that MCPS participates in the Federal Universal Service Fund (E-Rate) program governed by the Federal Communications Act of 1996 (Snowe-Rockefeller-Exon-Karrey amendment). This program provides MCPS the opportunity to receive discounts for certain products and services provided by Contractors.

a. E-Rate Participation:

   i. The Contractor must agree to participate in the E-Rate Program and to cooperate fully and in all respects with MCPS E-Rate Program to ensure that MCPS receives all of the E-Rate funding for which it has applied and to which it is entitled in connection with the Contractor's goods and/or services.

b. Service Provider Identification Number (SPIN) and FCC Registration Number (FCCRN):

   i. The Offeror shall submit with its proposal a Service Provider Identification Number ("SPIN"). The SPIN must be recognized by the SLD and FCC as an eligible telecommunications provider and, therefore, qualified to receive discounts under the Telecommunications Services bucket of the program. The Offeror also shall provide the company's FCC Registration Number.

c. Cooperation with MCPS Preparation of E-Rate Applications:

   i. The Contractor shall provide to MCPS staff and/or MCPS's E-Rate Consultant in a timely manner, within the posted E-Rate deadlines, all of the information and documentation that the Contractor has or that the Contractor reasonably can acquire that MCPS may need to prepare E-Rate applications and/or to document transactions eligible for E-Rate support (https://www.usac.org).

d. Discounts and Reimbursements:

   i. At MCPS's discretion and consistent with E-Rate Program regulations, the Contractor either shall (a) apply the approved E-Rate discount to all services and/or products approved for funding and invoice the Universal Service Administrative Company ("USAC") for the balance (Service Provider Invoicing or "SPI") or (b) remit to MCPS the E-Rate discounted amount pursuant to the Billed Entity Application Reimbursement Process ("BEAR") or any other reimbursement process in effect. MCPS prefers Offerors participating in SPI invoicing.

e. Separate Itemization of E-Rate Eligible and Ineligible Products and Services:

   i. The Contractor shall separately itemize the cost of E-Rate eligible and ineligible products and separate installation costs, if any. To determine what items are eligible, visit the E-Rate Eligible Services List at https://www.usac.org or call the Schools and Libraries Division (SLD) of the Universal Service Administrative Company at 888-203-8100.

f. Compliance with E-Rate Contract Signing Rules:

   i. The Contractor must acknowledge in its Proposal that the Contractor will make every effort to have any contract addenda that may arise from this RFP signed in accordance with the E-Rate contract signing rules. Further, the Contractor must acknowledge in its Proposal that if the Contract or Addendum is signed outside of the E-Rate Contract signing window, the Contractor will disclose to MCPS, before soliciting MCPS execution of the Contract, that the contract is not eligible for E-Rate funding.

g. Telecommunications Provider Status:

   i. The Contractor must not be currently on red light status by Universal Service Administration Company (USAC) and immediately notify MCPS if placed on red light status. The Contractor must not be currently debarred from E-Rate participation.

h. Availability of Funding:

   i. The Contractor must acknowledge that payments for the Work is highly dependent on E-Rate subsidies. MCPS will file for the E-Rate subsidies throughout the term of the contract. If MCPS E-Rate subsidies were to cease, the Contractor will be notified as to the date of the cessation, and MCPS will be liable only for payment for services until the time of termination. If E-Rate subsidies stop, MCPS will not be bound by the remainder of the contract.

i. Starting Services/Advanced Installation:

   i. The Contractor must acknowledge that the annual E-Rate Funding Year begins on July 1 and expires on June 30 of each calendar year. Regardless of the contract "effective date", E-Rate eligible goods and/or services requested in this bid shall be delivered no earlier than the start of the funding year; however, USAC program rules allow for advanced installation in some cases.

1. Category 1: Applicants may request program discounts for non-recurring charges incurred up to six months prior to the July 1 start of the funding year (i.e., on or after January 1), provided that:

    a. Construction begins after selection of a service provider pursuant to a valid competitive bidding process;

    b. A Category One recurring service depends on the installation of the infrastructure;

    c. The service start date is on or after the start of the funding year; and

    d. No invoices (FCC Form 472 or FCC Form 474) are dated prior to July 1st of the funding year.

2. Category 2: Installation of Category Two non-recurring services may begin on April 1st prior to the July 1st start of the funding year, provided that:

    a. No invoices (FCC Form 472 or FCC Form 474) are certified prior to July 1st of the funding year.

ii. By mutual written agreement, MCPS and the Contractor may elect to commence work or delivery of services prior to July 1, provided that:

1. The Contractor understands and agrees that no invoices shall be submitted to, nor payments made by, MCPS or USAC from E-Rate funds for any work performed before the official Funding Commitment Decision Letter (FCDL) is received and the funding year begins;

2. Any work or expenditures prior to July 1st are undertaken at the Contractor's own risk, and reimbursement is not guaranteed until E-Rate funding is approved and the funding year has commenced; and

3. The parties will document such early start authorization in writing, specifying the scope, timing, and conditions under which work may begin.

iii. Nothing in this section shall obligate MCPS to authorize or accept delivery of services prior to the start of the funding year.

j. Auditability and Recordkeeping:

The E-Rate program mandates that all documentation be retained for a minimum period of ten (10) years from the last date of service rendered under the applicable funding request. Accordingly, the Contractor shall maintain all books, records, accounts, and other documents pertinent to any Agreement resulting from this RFP for a period of ten (10) years following final payment. MCPS, its duly authorized representatives, and/or auditors, shall have the right, at any reasonable time during said period, to access, examine, and audit all such records. MCPS will contract with the successful Bidder ("Contractor"), that contract will contain the following contract terms, and conditions, with incomplete information to be added based upon the award between MCPS and the successful Bidder. MCPS does not negotiate terms and conditions under an Invitation to Bid. As a precondition to its acceptance, MCPS may, in its sole discretion, request that the Bidder withdraw or modify non-responsive portions of a bid, those portions which do not affect the quality, quantity, price or delivery schedule. The final agreement is subject to review by an MCPS Attorney prior to being submitted to the successful Bidder for signature.

A. **STANDARD OF CARE**

The Contractor shall be responsible for the quality, technical accuracy and the coordination of all deliverables and other services furnished by the Contractor under this Agreement. The Contractor shall, without additional compensation, correct or revise any errors or deficiencies that significantly affect the production environment, as determined by the Project Manager, which are discovered within a twelve-month period after final completion of Work.

B. **AUTHORITY**

The Chief Procurement Officer has been delegated authority for issuance of Invitations to Bid, Requests for Proposal, modifications, Purchase Orders, and Contracts awarded and approved by and for MCPS. The Chief Procurement Officer is authorized to enter into negotiations, change orders, Contracts, or in any way obligate MCPS for indebtedness. Any Purchase Order or Contract made which is contrary to these provisions and authorities shall be of no effect and voice, and MCPS shall not be bound thereby.

C. **MCPS PURCHASE ORDERS**

MCPS purchases are authorized only if an MCPS Purchase Order is issued or Credit Cards Authorization form is issued in advance of the transaction, indicating that the ordering school or department has sufficient funds available to pay for the purchase. Such a Purchase Order is to be provided to the Contractor by the ordering school or department. MCPS will not be liable for payment for any purchases made by its employees without appropriate purchase authorization issued by the MCPS Chief Procurement Officer. Contractors providing goods and/or services without a signed MCPS Purchase Order do so at their own risk and expense.

D. **REIMBURSABLE EXPENSES**

MCPS does not authorize any additional travel expenses. All expenses shall be included in the firm fixed price for the Work for MCPS. MCPS shall not approve any request for reimbursement for travel-related expenses submitted by the Contractor.

The Contractor certifies that its offer is made without collusion or fraud and that it has not offered or received any kickbacks or inducements from any other Bidder, supplier, manufacturer or subcontractor in connection with their Bid, and they have not conferred on any public employee having official responsibility for this purchase any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

F. **PAYMENT OF SUBCONTRACTORS**

The Contractor is obligated to take one of the following actions within seven (7) calendar days after receipt of amounts paid to the Contractor by MCPS for work performed by any subcontractor under this Contract:

a. Pay the subcontractor of the proportionate share of the total payment received from MCPS attributable to the work performed by the subcontractor under this Contract; or
b. Notify MCPS and the subcontractor, in writing, of the Contractor's intention to withhold all or part of the subcontractor's payment with the reason for nonpayment

Unless otherwise provided under the terms of this Contract, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include each of its subcontracts a provision requiring each subcontract to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor. The Contractor's obligation to pay an interest charge to a subcontractor pursuant to the above provisions may not be construed as an obligation to MCPS. A Contract modification may not be made for the purpose of providing reimbursement for such interest charge. A cost reimbursement claim may not include any amount for reimbursement for such interest charge.

G. **ANTI-DISCRIMINATION**

By submitting a Bid and during the performance of this Contract, the Contractor certifies to MCPS that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Act of 1975, as amended, and where applicable the Virginians with Disabilities Act, the Americans with Disabilities Act and VPPA §2.2-4311. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
b. The Contractor, in all solicitations or advertisements for employment, placed by or on behalf of, the Contractor, will state that such Contractor is an equal opportunity employer.

I. **NO EMPLOYMENT OF UNAUTHORIZED ALIENS**

In accordance with the Code of Virginia §2.2-4311.1, the Contractor represents and warrants that Contractor does not, and shall not, during the performance of the Contract, knowingly employ any unauthorized alien as defined in the Federal Immigration Reform and Control Act of 1986.

K. **PROJECT STAFF**

MCPS has the right of reasonable rejection and approval of staff or subcontractors assigned to the Work by the Contractor. If MCPS reasonably rejects staff or subcontractors, the Contractor must provide replacement staff or subcontractors satisfactory to MCPS in a timely manner and at no additional cost to MCPS. The day-to-day supervisions and control of the Contractor's employees, and employees of any of its subcontractors, shall be the sole responsibility of the Contractor. c. State in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and
d. Include the provisions of the foregoing clauses (substituting the subcontractor or vendor for the Contractor as the obligated party) in every subcontract or purchase order $10,000, so that the provisions will be binding upon each subcontractor or vendor

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with the specific contract awarded to the Contractor where its employees are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of this Contract.

M. **CERTIFICATIONS REGARDING FELONS AND SEX OFFENDERS**

involving sexual molestation or physical or sexual abuse or rape of a child. Contractor shall promptly report to MCPS any change that would make this Certification no longer accurate.

N. **AUTHORIZATION TO CONDUCT BUSINESS IN VIRGINIA**

The provisions of the Code of Virginia §2.2-4311.2 are incorporated herein by reference. If the Contractor is a business entity described in VA Code §2.2-4311.2.A, that Contractor must be authorized to transact business in Virginia if required by law to be so authorized and shall not allow its existence or certificate authority or registration to transact business to lapse or be revoked or cancelled during the term of this Contract.

O. **INDEPENDENT CONTRACTOR**

The Parties understand that the Contractor and its employees and subcontractors shall be independent contractors and not the School Board's employees for any purpose whatsoever. This Contract shall not be construed as a partnership and the School Board shall not be liable for any obligation incurred by the Contractor. However, the Contractor shall comply with all policies, rules and regulations of the School Board in connection with the provision of the services under this Agreement. All services rendered by the Contractor shall be rendered in a competent, efficient, timely and satisfactory manner in strict accordance with the currently approved methods and practices in the Contractor's professional specialty. Q. **FORCE MAJEURE**

MCPS shall not be held responsible for failure to perform its duties and responsibilities imposed by the Contract if such failure is due to fires, riots, rebellions, natural disasters, wars, acts of terrorism or an act of God beyond control of MCPS that make performance impossible or illegal, unless otherwise specified in the Contract.

The Contractor shall not be held responsible for failure to perform its duties and responsibilities imposed by the Contract if such failure is due to fires, riots, rebellions, natural disasters, wars, acts of terrorism or an act of God beyond control of the Contractor, and outside and beyond the scope of the Contractor's then current Contract, by industry standards, disaster plan, that make performance impossible or illegal, unless otherwise specified in the Contract.

R. **ANTI-TRUST**

By entering into a Contract, the Contractor conveys, sells, assigns and transfers to MCPS all rights, title and interest in and to all causes of action it may have or hereafter acquire under the antitrust laws of the United States of America and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by MCPS under said Contract.

S. **ARBITRATION**

It is expressly agreed that nothing under the Contract shall be subject to arbitration, and any reference to arbitration is expressly deleted from the Contract.

T. **NO WAIVER**

The failure of either part to exercise in any respect a right provided in this Contract shall not be deemed to be a subsequent waiver of the same right or any other right.

Notwithstanding any other provision of this Contract, nothing in this Contract or any action taken by MCPS pursuant to this Contract shall constitute or be construed as a waiver of either the sovereign or governmental immunity of MCPS. The parties intend for this provision to be read as broadly as possible.

U. **ASSIGNMENT OF CONTRACT**

Neither party shall assign in whole or in part this Contract without the consent, in writing, of each party.

V. **INDEMNIFICATION**

a. General Indemnification: The Contractor shall indemnify, keep and save harmless MCPS, its agents, officials, employees and volunteers against Claims that may accrue or arise against MCPS as a result of the granting a Contract, if the Claim was caused by the negligence, error or omission of the Contractor, its employees, its subcontractors or its subcontractor's employees. As used in this Section, a Claim includes: injuries, death, damage to property, patent claims, breach of data security, suits liabilities, judgements, cost and expenses. Upon request from MCPS, the Contractor must at its own expense: appear, defend and pay all attorney's fees and all costs and other expenses related to the Claim. If, related to the Claim, any judgment is rendered against the School Board or a settlement reached that requires MCPS to pay money, Contractor must at its own expense satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this Contract or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend MCPS as herein provided.

b. Intellectual Property Indemnification: In addition to the General Indemnification, the Contractor shall indemnify MCPS for and defend MCPS against third-party claims for infringement of any valid United States patent, trademark or copyright by the Contractor's products, software, services or deliverables. Contractor must indemnify MCPS for any loss, damage, expense or liability, including costs and reasonable attorney's fees that may result by reason of such claim.

In the event of a claim covered by this subparagraph, and in addition to all other obligations of the Contractor in this paragraph, the Contractor must at its expense and within a reasonable time: i. obtain a right for MCPS to continue using such products and software, or allow Contractor to continue performing the Work; ii. modify such products, software, services or deliverables to make them non-infringing; or iii. replace such products or software with a non-infringing equivalent. If, in the Contractor's reasonable opinion, none of the foregoing options are feasible, the Contractor must immediately notify MCPS and accept the return of the products, software, services or deliverables, along with any other components rendered unusable as a result of the infringement or claimed infringement, and refund to MCPS the price paid to the Contractor for such components as well as any pre-paid fees for the allegedly infringing services, including license, subscription fees, or both. Nothing in this paragraph, however, relives the Contractor of liability to MCPS for damages sustained by MPS by virtue of any breach of contract related to a third-party infringement claim.

c. Right to Participate in Defense: MCPS may, at its sole discretion, participate in the defense or resolution of a Claim. Contractor will have primary control of the defense and resolution of the Claim, except when such defense or resolution requires MCPS to: i. admit liability or wrongdoing; or ii. pay money. In either of these cases, the Contractor must obtain MCPS' written prior consent before entering into such settlement or resolution
