TO: BIDDING VENDORS

FROM: RICHMOND COUNTY SCHOOL SYSTEM

DATE: November 19, 2026

SUBJECT: E-RATE HIGH SPEED WIDE AREA NETWORK 2027
FORM 470 # 270005212

The Richmond County School System (RCSS) is seeking a response and proposals from qualified vendors to provide high-speed network connectivity between its various sites to logically replace the current connectivity with potentially higher bandwidth and greater reliability.

This wide area network (WAN) infrastructure must accommodate both the present and future network needs of the RCSS. The intent is to achieve a unified infrastructure that will enhance educational and administrative activities at all sites with flexibility to support future needs and activities.

Key requirement of these services is defined as e-rate Category 1 eligible.

The company awarded this bid is expected to have service complete and in place no later than July 1, 2027, unless prior approval is given by the Chief Technology Officer. If you are unable to meet the criteria listed in these documents, please do not submit a bid for this request. Also note further requirements under the following standard terms and conditions.

STANDARD TERMS AND CONDITIONS

1. **TIME AND PLACE:** Bids will be received by the Richmond County School System ***until 3:00 p.m. EST, on Thursday, January 7, 2027,*** at 864 Broad Street, Augusta, Georgia 30901.

2. **LATE BIDS AND QUOTES: Regardless** of cause, late bids and quotes will not be accepted and will automatically be disqualified from bid consideration. It shall be solely the vendor's risk to ensure delivery at the designated office by the designated time. Late bids and quotes will not be opened and may be returned to the vendor.

3. **BID FORM:** All bids must be made on the provided bid form. All blank spaces for bid prices must be filled in with ink or typewritten.

4. **DELIVERY AND FREIGHT REQUIREMENTS:** Bid prices will include delivery and freight charges with delivery to be made to the Richmond County School System.

5. **SEALED BID REQUIREMENT**: Each bid must be submitted in a sealed envelope addressed to Dr. Malinda Cobb, Superintendent of Schools, c/o Mr. Bobby A. Smith, CPA, Chief Financial Officer, Richmond County School System, 864 Broad Street, Augusta, Georgia 30901. Each sealed envelope containing a bid must be plainly marked on the outside **"ERATE – HIGH SPEED WIDE AREA NETWORK 2027; FORM 470 #270005212"** and the envelope must bear on the outside the name and complete address of the vendor. If forwarded by mail, the sealed envelope containing the bid must be enclosed in another envelope addressed to Dr. Malinda Cobb, Superintendent of Schools, c/o Mr. Bobby A. Smith, CFO, Richmond County School System, 864 Broad Street, Augusta, Georgia 30901, FORM 470 # 270005212.
You must send one hard copy of your proposal and one digital copy via labeled usb drive as part of your sealed proposal.

6. **E-RATE COMPLIANCE AND FUNDING CONDITIONS:** Vendor understands and agrees that this RFP is promulgated pursuant to the seeking of "E-Rate" funding. Accordingly, by participating in this process, vendor certifies that it is and will continue to be in compliance with all the requirements of this program. Further, vendor understands and acknowledges that the actual execution of any contract awarded as a result of this RFP process are contingent upon 1) Securing of the requested funding from USAC, and
2) The Richmond County School System deciding to move forward when such funding has been granted. Notwithstanding these contingencies, the Richmond County School System may also decide to move forward with any of these projects using other funding sources.

7. **CONTRACT PERIOD: The award will be for a three-year time frame beginning July 1, 2027 and ending June 30, 2030. Upon mutual agreement this contract may be renewed for two additional one-year periods at the same terms and conditions of the original contract.**

8. **FRN LINE ITEM BULK UPLOAD FILES:** The winning vendor will be required to submit FRN Line Item Bulk Upload files (formerly known as item 21 Attachments) in official USAC format within three (3) business days of final contract being signed by the selected successful vendor and RCSS.

9. **PROOF OF INSURANCE:** The contractor will be required to carry Workmen's Compensation Insurance, Contractor's Protective Liability Insurance, and Contractor's Public Liability Insurance, Personal Injury, including death limits of $300,000 for each person and $500,000 for each accident; Property Damage limits of $100,000 for each accident and $300,000 for aggregate of operations. Certificates of Insurance must be sent to the School System prior to commencement of work, with the Richmond County School System to be named as additional insured on public liability insurance for personal injury and property damage.

10. **CERTIFICATION:** Upon notification of acceptance of the bid, and at the request of the Chief Technology Officer for the Information Technology Department for the Richmond County School System, the vendor will provide certification that their product meets or exceeds the specifications presented by this invitation.

11. **REJECTION OF BIDS:** The Richmond County School System reserves the right to reject, in whole or in part, any and all bids received, to waive technicalities, or to negotiate any term(s) or provision(s) of such bids as meet the requirements and specifications of this RFP, such rejection, waiver, or negotiation to be accomplished in any manner necessary to serve the best interests of the Richmond County School System. The Richmond County School System also reserves the right to be the sole judge of the suitability of any and all bids for use by the Richmond County School System.
    A. Failure to submit response(s) to this RFP in a timely fashion as specified on page 2 under item #2 in the Standard Terms and Conditions.
    B. RFP Failure to submit required information (non-responsive bid). In this instance, and prior to disqualification, the Richmond County School reserves the right to request immediate clarification of any information found lacking. Failure to respond promptly will be cause for disqualification.

    The Richmond County School System reserves the right to reject or otherwise disregard, in whole or in part, any ambiguous bids or bids which are uncertain as to terms or compliance with specifications.

12. **RIGHT TO RE-BID:** The Richmond County School System reserves the right to reject any and all bids. The right is reserved to reject any and all quotations, to omit any items called for or to accept the bid deemed best for the Richmond County School System.

13. **NON-WITHDRAWAL PERIOD:** Bids may not be withdrawn after submission date.

14. STATE-MANDATED WALK AWAY PROVISION: In the event a contract is awarded for more than one year: 202-2-506 (b) (1)
"Pursuant to O.C.G.A. § 202-2-506, notwithstanding any other provision herein this contract shall terminate absolutely and without further obligation on behalf of the School System at the close of each calendar year in which it was executed and at the close of each successive calendar year for which it may be renewed provided thirty (30) days prior written notice is given by the School System to the vendor prior to the end of such calendar year.

In addition, this contract shall terminate immediately and absolutely at such time that appropriated and otherwise obligated funds are no longer available to satisfy the obligation of the School System under the contract.

This contract shall be deemed to obligate the School System for the sums payable during the calendar year the agreement was executed or in the event of a renewal by the School System for those sums payable at the end of any renewed calendar year.

15. JURISDICTION AND VENUE: "This contract shall be governed and constructed in accordance with the laws of the State of Georgia, Richmond County. Jurisdiction and venue will be that of a court of competent jurisdiction in Richmond County, Georgia."

16. BUY OUT CLAUSE: If in the event the contractor sells, transfers or relinquishes, whether voluntarily or by operation of law, their ownership interest in the corporation, partnership or proprietorship identified under this agreement, this agreement shall terminate unless the prior written consent has been granted by the Richmond County School System. Such consent shall not be unreasonably withheld. The contractor shall promptly notify the Richmond County School System of any actual or proposed change in, transfer or acquisition by another party of control of said corporation, partnership, or proprietorship. For purposes of this document, the word "control" as used herein is not limited to major stockholders but includes actual working control in whatever manner exercised. Any approval by the Richmond County School System of transfer of ownership or control shall be contingent upon the prospective controlling party becoming a signatory to the agreement and otherwise complying with all the terms and conditions herein.

17. CANCELLATION: In the event at any time during the contract period the vendor cannot provide acceptable products or services, the Richmond County School System reserves the right to make other temporary arrangements for the procurement of WAN services.

18. DUTY TO PROTECT: The Contractor (or Vendor) shall not knowingly send any employee, agent or subcontractor personnel who is a registered sex offender, or who has been convicted of sexual abuse, to any school building or school property when students are attending school or a school-related activity.

The Contractor (or Vendor) shall make periodic criminal history record inquiries as authorized by O.C.G. §35-3-34, as now written, or here-after amended; or allowed by all or any other laws allowing such inquiry, to identify these persons who have been convicted of sexual abuse or any other act which would require such person to be entered into a national or state sexual offender registry.
For the purpose of this policy, the term periodic shall mean that the criminal history record inquiries shall be made current upon the awarding of a successful bid on contract and checked no less than annually during the duration of the contract. See **ATTACHMENT "1"** for Sex Offender Acknowledgement Form.

19. E-VERIFY: The Contractor agrees to comply with the requirements of A.R.S. § 41-4401.

a. The Contractor warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with Section A.R.S. § 23-214, Subsection A. (That subsection reads: "After December 31, 2007, every employer, after hiring an employee, shall verify the employment eligibility of the employee through the E-Verify program.)

b. A breach of a warranty regarding compliance with immigration laws and regulations shall be deemed a material breach of the contract and the Contractor may be subject to penalties up to and including termination of the contract.

c. The Owner retains the legal right to inspect the papers of any employee who works on the contract to ensure that the Contractor or its subcontractor(s) is/are complying with the foregoing warranty under paragraph (a).

See **ATTACHMENT "2"** for E-Verify Affidavit Form.

20. **SMOKE FREE ENVIRONMENT:** In order to promote a tobacco free environment in our school system, all visitors are prohibited from smoking or using tobacco or smokeless tobacco products while on school board property.

21. **AWARD METHOD:** The Richmond County Board of Education reserves the right to award this contract based on lowest responsible and responsive bidder meeting specifications and overall general value received. This may result in the award going to contractor who is not the lowest bidder.

22. **TIME OF THE ESSENCE:** Failure of the successful vendor to deliver the merchandise or service within the required time shall constitute a material breach of contract. If a breach occurs, the vendor may be responsible for any damages the school system incurs.

23. **TAX EXEMPT:** The Richmond County School System is exempt for State sales taxes. Bid prices shall exclude Federal or State taxes that can be eliminated in sales to public school systems in the state of Georgia.

24. **QUESTIONS, REQUESTS FOR CLARIFICATION, OR INTERPRETATIONS REGARDING THIS BID:** All communications concerning this bid must be submitted in writing by electronic mail only to:
Richmond County School System – Business Office
Attn: Ms. Cecilia Perkins (706)826-1298
Email perkice@boe.richmond.k12.ga.us

Only written questions submitted by email will be accepted. No response other than what is written and distributed by the Business Office will be binding upon the Richmond County School System.

The originating department may be called upon for clarification in their area of expertise at the discretion of the Business Office. Written responses to questions, requests for clarification, or interpretations will be furnished to all participating vendors.

All requests for clarification or interpretations must be submitted to the Business Office on or before the close of business **DECEMBER 4, 2026**, 5:00 PM.

Questions and written responses to questions, if any, will be available to all participating vendors starting December 9, 2026 on the USAC website along with the associated Form 470.

25. **ADDENDUMS:** In the event an addendum becomes necessary, it will originate in the Business Office and will be distributed via the website www.rcboe.org/bids to all participating contractors. Any addenda issued during the time of the request for proposal distribution should be acknowledged by the participating contractor and attached to their response form. Addenda if any, will be available to all participating vendors starting December 9, 2026 on the USAC website along with the associated Form 470.

26. **INSPECTION OF PUBLIC RECORDS:** All information received from vendors shall be subject to inspection once the bid is awarded under Georgia Public Records Act.

Section I. Introduction

All proposals must be submitted with the understanding that the implementation is dependent on budgetary requirements, and/or E-Rate approval. RCSS reserves the right to cancel USAC Form 470 #270005212 and reject all proposals responding to that Form. RCSS also reserves the right to cancel, or postpone implementation, due to unforeseen circumstances regarding the E- Rate program.

You must send one hard copy of your proposal and one digital copy via labeled usb drive as part of your sealed proposal.

Section II. General Requirements

The RCSS expects each vendor to make themselves thoroughly familiar with any rules or regulations regarding the E-Rate program.

All bidders must complete the Proposal Submittal Form and Budget/Cost Forms provided with this RFP.

All interested vendors must submit at least 3 references of services of this magnitude (with school districts) within the last 3-5 years. Bidder will provide valid contacts including telephone numbers and names of references.

A copy of each vendor's financial statements may be requested for review by RCSS' finance office. These statements will be held in confidence.

The failure by the vendor to provide any information, including financial matters or work references requested in this RFP may result in the determination that the proposal is non- responsive, and it will be disqualified.

Section III. RFP Instructions

A. Completing the RFP

Proposals should address the following RCSS requirements:

- Hub and Spoke design of the WAN with a central hub, currently located at the Board of Education located at 864 Broad Street Augusta 30901, but which may be relocated in the future.
- Link bandwidth of 10GB/sec up to 20GB/sec.
- Possible future increases in link bandwidth to 20GB/sec during the term of the contract
- Guaranteed Reliability backed by SLAs (>99.99% availability)
- Possible Reductions/Increases in the number of facilities over the contract.
    - Over the life of the contract facilities may be added or removed to the "WAN". The actual number of facilities at start of services should closely match the facilities listed in Exhibit "A". That list will be finalized prior to the signing of the contract. RCSS expects pricing to be on a per facility per year (school and Erate fiscal year).
- Potential to improve based on future technological needs of RCSS for ongoing innovation and evolution

Cost proposals should detail the following on the available spreadsheet "RCSS WAN Pricing Spreadsheet"

- Non-recurring Erate eligible and ineligible initial installation costs
- Recurring Erate eligible and ineligible charges by site, and broken out by cost components where applicable (Ex: MPLS with access and port charges separate for that type service)
- Regulatory eligible and ineligible recurring or non-recurring charges
- All other charges

Any other potential fees or termination fees should be clearly documented otherwise in a format of the Vendor's choosing.

In light of recent occurrences affecting School operations, the Vendor may submit its proposal, if any, on how it will deal with situations where some if not all facilities are closed due to health or other causes beyond the District's control and where some services provided under the proposal are superfluous. This may include a reduction in fees or other mitigating actions.

B. Contract

The proposal should include a contract for all proposed products and services. If the vendor does not wish to submit an actual contract with the proposal, due to different alternatives proposed and pending choices from those alternatives, a sample contract should be submitted with the proposal. No contract will be signed until approved by the Board of Education Attorney and brought into compliance with Georgia law and school requirements.

Notwithstanding any other provision herein said contract shall terminate absolutely and without further obligation on behalf of the School System at the close of each calendar year in which it was executed and at the close of each successive calendar year for which it may be renewed provided thirty (30) days prior written notice is given by the School System and vendor prior to the end of each such calendar year.

This contract shall be deemed to obligate the School System for the sums payable during the calendar year the agreement was executed or in the event of a renewal by the School System for those sums payable at the end of any renewed calendar year.

C. Selection Process

The selection criteria shall follow USAC guidelines where cost is the primary, but not the only factor.

All requirements of the proposals will be reviewed in determining the ability of vendor to perform the work and evaluation of each proposal. In determining the qualifications and responsibilities of the vendor, RCSS shall take into consideration the contractor's skill, experience, facility, previous work standing, financial standing, capacity and ability to handle work in addition to that in progress, including quality and efficiency of construction plant and equipment to be utilized on the project.

The RCSS may contact any vendor after receiving its submittal to seek clarification of any portion thereof. The RCSS reserves the right to request any additional information from any vendor if the RCSS deems such information necessary to further evaluate the vendor's qualifications. In the event the RCSS elects to negotiate a contract with the selected vendor, the RCSS reserves the right to negotiate such terms and conditions of the contract, including, but not limited to the scope role, price, and staffing which may be in the interestof the RCSS, all subject to approval by the Board of Education Attorney.

Section IV. Scope of Project/Specifications

The District currently operates a Wide Area Network (WAN) consisting of 57 educational and administrative sites interconnected through Lit Fiber point-to-point connections. The network utilizes a centralized hub-and-spoke architecture that provides dedicated connectivity between each remote site and the District's core network infrastructure.

Each site is provisioned with a dedicated 10GB/sec Ethernet connection delivered over lit fiber services. All circuits provide symmetrical bandwidth, ensuring equal upload and download capacity to support instructional, administrative, voice, video, cloud-based applications, and data services across the District.

The existing WAN infrastructure is designed to provide high availability, scalability, and reliable performance for mission-critical operations. Dedicated fiber facilities are required to support current and future bandwidth demands while maintaining consistent service levels across all locations. As part of the service requirements, proactive network monitoring and performance management capabilities are required to ensure continuous visibility into circuit health, utilization, availability, and service performance. The service provider shall furnish monitoring and reporting capabilities that enable timely identification and resolution of network issues.

The District requires a minimum service availability objective of 99.9% uptime for all WAN services. The District requires that all services associated with this WAN deployment will be fully provisioned, tested, and operational no later than July 1, 2027.

In summary, the District's WAN environment consists of:

- 57 District sites connected via dedicated lit fiber point-to-point circuits
- Hub-and-spoke network topology with centralized connectivity
- 10GB/sec symmetrical bandwidth at each site
- Dedicated fiber infrastructure supporting district-wide operations
- Proactive monitoring and performance management requirements
- Minimum 99.99% service availability objective
- Full implementation and service delivery by July 1, 2027

Vendors must detail the scope of work to include logical and characteristics of the high-speed network including how and where the connection will be placed and entry to the building locations.

Richmond County School System currently maintains the sites listed in Appendix A, however our locations change due to right sizing our system. Please be aware that sometimes schools are closed and/or new schools are opened. If changes take place, RCSS would need to adjust the service locations. RCSS will only pay for locations being used. If a change is warranted, the RCSS Information Technology Department would notify the awarded vendor a minimum of 30 days for changes to service locations.

Service must be fully E-Rate compliant. Service must be available to all sites as of **July 1, 2027.**

Vendors must provide details of problem resolution procedures including estimated response time, down-time, and network monitoring logs/reports, etc.

The RCSS is seeking a unified solution for a highspeed network that includes the system design/engineering, and any construction that may be necessary to establish service and maintenance of the connectivity. The minimum required bandwidth throughout the system is to be equal or greater than 10GB/sec. The RCSS Central Office is the primary hub for termination of all connections. Any associated equipment racks, digital equipment, data cabling, and termination equipment shall be provided by the service provider. The awarded service provider shall own and maintain all equipment up to point of handoff at the existing demark locations. The installation interval for completion of connecting all RCSS sites shall be estimated from the receipt of a signed contract and shall be coordinated with RCSS.

Requirements:

1. Each link Bandwidth must be dedicated full duplex that is equal to or greater than 10GB/sec and must be capable of future increases up to 20GB/sec.
2. Project must be fully USAC E-Rate compliant. Vendors must provide RCSS with SPIN number and any additional E-RATE information necessary to complete the E-Rate Application.
3. Service provider must activate the high-speed connections in each building, either with transceivers, routers, etc. that are dedicated to WAN functions. RCSS may never own this equipment.
4. The WAN must remain isolated from traffic on the other service provider networks or transmission medium.
5. Connectivity requirements at 10GB/sec up 20GB/sec to each of the following sites: See Appendix A for list of sites.
6. All outlying school locations will be connected back to the location of the RCSS designated data center in a Hub and Spoke Network configuration.
7. Provider will provide on-site service in a link-down situation in 4 hours maximum response time.
8. RCSS must be able to pass all ethernet protocols to any point in their network.
9. The circuits shall be capable of carrying multiple data services such as computer networks, voice over IP, streaming video, etc.
10. A three (3) year contract shall be provided. Up to 2 one-year extensions, if any, will be specified and negotiated prior to and be included in the contract. “Evergreen” contracts are not acceptable.
11. The vendor shall be responsible to repair or replace any RCSS property, systems, or equipment disturbed or damaged by the work to at least the original condition, using like materials, and performed in such a manner to be uniform in color, texture, and appearance to the surrounding surfaces. If the original condition does not meet the current code or specification required, the vendor will repair/replace to meet the higher standard, at the vendor expense. In the case that an original cannot be duplicated; RCSS must approve the recommended repair and the materials prior to the repair being made.
12. The vendor is responsible for, and shall take all necessary steps to ensure, the safety and condition of RCSS property in the work area.

SEALED BIDS DUE BY 3:00 P.M. EST, THURSDAY, JANUARY 7, 2027

SEX OFFENDER ACKNOWLEDGEMENT FORM

Read, sign and return this form to the Richmond County Board of Education along with bid:

The Contractor (or Vendor) shall not knowingly send any employee, agent or subcontractor personnel who is a registered sex offender or who has been convicted of sexual abuse to any school building or school property when students are attending school or a school related activity.

The Contractor (or Vendor) shall make periodic criminal history record inquiries as authorized by O.C.G.A. §35-3-34, as now written, or here-after amended; or allowed by all or any other laws allowing such inquiry, to identify these persons who have been convicted of sexual abuse or any other act which would require such person to be entered into a national or state sexual offender registry.

For the purpose of this policy, the term periodic shall mean that the criminal history record inquiries shall be made current upon the awarding of a successful bid on contract and checked no less than annually during the duration of the contract.

The Contractor (or Vendor) is certifying to the Richmond County Board of Education that periodic criminal history record checks are made by the company for all employees and that to the best of the Contractor's (or Vendor) knowledge it has no employee or agent who has been convicted of a sex offense or who is a registered sex offender, who will be assigned to any school building or school property while students are attending school or a school related activity.

I have read and understand the above Richmond County Board of Education Policy regarding my or my company's obligation as a contractor (or vendor). I further acknowledge that the failure to comply with the requirements to identify a sex offender, to comply with any part of this policy, to assign a sex offender to any school building or school property while students are attending school or a school related activity will constitute a breach of the contract.
