CENTRAL CITY PUBLIC SCHOOL

Request for Proposal (RFP)

RFP: Wireless Access Points (U7-PRO-MAX)	Proposal Due By: [4:00 pm CST Dec. 21, 2026]

Project Overview:
CENTRAL CITY PUBLIC SCHOOL is currently accepting proposals to upgrade / add wireless access points to our existing Ubiquiti Unifi wireless network system in specific areas of our facilities.

Technical Criteria:

- Compatible with existing Ubiquiti Unifi Software based controller
- WiFi 7 with Tri-radio 2.4 / 5 / 6 Ghz
- 8 spatial streams
- Real-time spectral analysis for enhanced channel selection
- No software or ongoing maintenance fees
- 802.3at PoE compliant
- 2.5 GbE uplink

Items Requested:

- Brand: Ubiquiti
- Model: U7-PRO-MAX
- Quantity: 25

****Equivalent items will be considered, but must match technical criteria.****

Costs
All costs included in proposal must be all-inclusive to include any outsourced or contracted work. Costs must be itemized to include an explanation of all fees associated with the final cost.

Evaluation Metrics and Selection Criteria

- 50% - Lowest cost
- 20% - Technical criteria
- 20% - Relevant Experience and Past Performance
- 10% - Local Support and On-Site Response Capability
