Provide, for the Applicants pre-471 consideration, quotes and proposals referencing Form 470 quantities and capacities. Specify Applicant name, Form 470 number and valid 2027 SPIN on all correspondence. Please send any and all inquiries only via email. Send responses via e-mail to the technical contact at Mondavi Design.

The Applicant may consider multi-year and/or contracts with voluntary extensions and is willing to consider a month-to-month arrangement or contracts with varying terms. Any voluntary contract extensions must be identified within the awarded contract and must be of specified number and duration. Contracts with automatic or evergreen contract extension terms will NOT be considered. The Applicant desires the ability to add, remove, or amend services as business needs require, and therefore may consider contracts with flexible terms.

Service Providers are required to provide separate pricing for all components of a bundled service, and break out the cost of any ineligible products/services. Any offering of free services must be clearly identified in service providers bids, and must be in full compliance with USACs Free Services Advisory.

Service Providers submitting proposals in response to this FCC Form 470 must be in compliance with the rules and orders governed by the Federal Communications Commission. Failure to be in compliance and remain in compliance may result in the denial of discount funding, and/or cancellation of funding commitments. As required by E-Rate rules, all bids in response to this Form 470 must offer the Lowest Corresponding Price (LCP). See USACs site for additional information.

Service Providers submitting proposals in response to this FCC Form 470 agree to comply with Part 47 Section 54.9 and 54.10 of the FCC rules which prohibits the sale, provision, maintenance, modification, or other support of equipment or services provided or manufactured by Huawei, ZTE, or any other covered company posing a national security threat to the integrity of communications networks or the communications supply chain.

If service providers are taking exception to any of the aforementioned, such exceptions must be clearly articulated in any proposal submitted in response to this Form 470.
