Summary of the HCP's requested services. :

Stone Mountain Health Services (SMHS) is seeking bids for telecom/networking services under the FCC's Healthcare Connect Fund. This will be a multi-year contract set to auto renew annually after the initial term, the initial term could be up to 10 years. SMHS has twelve health care facilities and an offsite data center. It is the vision of SMHS to enable a set of standard telehealth connection services throughout Southwest Virginia that will facilitate these healthcare locations to share one or more electronic medical record systems and telehealth services with any other healthcare location within the constructed network and ultimately, to interconnect with other health care providers regionally and nationally.
