RFP & Summary

Do state, Tribal, or local procurement rules require the HCP to include an RFP with this request for services application? No

Will the HCP be including an RFP with this application? No

Please provide a summary of the HCP's requested services. If an RFP is attached above, summarize that document:

The Ninilchik Community Clinic is seeking bids to provide telecommunications service at our rural health clinic. The applications required of the requested connection include moderate to heavy usage levels for interactive activities such as distance learning, training, real time patient examination and consultations, and video conferencing. Moderate to heavy usage for transactional needs will include distance learning, electronic patient billing and support for electronic health records. The connection must support light to moderate transmission of large files for X-Ray images and electronic health information exchanges. The supported connection will also support electronic billing and the exchange of electronic health records. Backup and redundancy connectivity will be 24/7 and we are seeking a type of Service Level Agreement that provides near constant service availability and response.
