Proposed services and equipment and their pricing must be quoted in the format specified on the Draft Form 471 (available at http://www.universalservice.org/_res/documents/sl/pdf/tools/modernization-order/Draft-FCC-Form-471-and-Instructions.pdf).
Failure to quote in this format, or omission of any of the data items can lead to rejection of the bid. For Telecommunications (including Voice) and Internet Access, services must be listed in the format for Item21a on page 7 of the Draft Form 471 the link above.
Lowest Corresponding Price (LCP):
Service provider's bid must be the Lowest Corresponding Price (LCP). The proposed pricing for services and equipment must be the LCP of similarly situated non-residual customers for similar services. When services and equipment are delivered and charged, the price billed must be no higher than LCP of similarly situated non-residual customers for similar services.
Bundled Services:
Any E-rate-ineligible products, services, or components bundled with eligible products or services must be listed separately from the eligible products or services. Prices for these ineligible products or services must be allocated out of the price for the eligible services; failure to do so can lead to rejection of the bid. Allocations must comply with USAC rules which specify that the allocation methodology must be based on tangible criteria and reach a realistic result.
