

2024 470 Application - The Charter School at Waterstone

Category 2 Details

The Charter School at Waterstone would like quotes for the following products and all related components. As per E-Rate rules, all equivalent solutions will be accepted and evaluated.

EQUIPMENT:

Product / Service	Make	Model	Part Number	Qty
Switches and/or Switch components	HPE Aruba or equivalent	2930M Switch 48G POE or equivalent	JL322A or equivalent	10
Switches and/or Switch components	HPE Aruba or equivalent	Stacking Module or equivalent	JL325A or equivalent	2

The school does not need quotes for installation or configuration of the above equipment. If applicable, please provide the SKUs or manufacturer part numbers for the products/services listed in your quote.

LICENSES:

The Charter School at Waterstone would like quotes for:

- HPE Aruba Central Foundation subscription licenses or equivalent for the 13 switches listed below. **Please provide quotes for 1-yr, 3-yr and 5-yr licensing options or equivalent for the following switches:**
 - HPE Aruba 3810M or equivalent Qty 1
 - HPE Aruba 2920G or equivalent Qty 2
 - HPE Aruba 2930M or equivalent Qty 10

The HPE Aruba Central Foundation subscription licenses or equivalent have been listed under both Internal Connections and Basic Maintenance in the drop-downs on the application to account for wherever USAC classifies them.

If applicable, please provide the SKUs or manufacturer part numbers for the products/services listed in your quote. The school does not need quotes for installation or configuration.

As per E-Rate rules, all equivalent solutions will be accepted and evaluated.

Vendors - Please be advised that the numbers above are approximate. Please list all assumptions used in creating your proposals. The preferred mode of contact is email. The applicant takes no responsibility for phone inquiries. Please email all bid responses to this 470 Application to both the school contact person listed under Contact Information on the 470 Application and the consultant (kristin@erateadvantage.com). All proposals must comply with FCC LCP rules as well as state and local laws. By submitting a bid on the requested services herein, the vendor certifies that its proposed prices are consistent with the FCC's Lowest Corresponding Price (LCP) requirements and that its equipment and services are compliant with the FCC's Security Rules Order (FCC 19-121) prohibiting the sale, provision, maintenance, modification, or other support of equipment or services provided or manufactured by Huawei, ZTE Corporation, or any other "covered company" deemed a national security threat.
