

Gymes Memorial School

Cat 1 Fiber Run, Form 470 # 250024043

School seeks a new 10G fiber line between the main school building at 13775 Spicers Mill Rd, Orange, VA 22960 to the facilities annex at 13735 Spicers Mill Rd, Orange, VA 22960. Current conduit exists (pink line in the image below) and school wants to replace old, deteriorated cabling. School estimates 800'-1200' of fiber needed, but site visit may be required to verify.

Per eRate guidelines, school will consider bids for leased dark and lit fiber as well as self-provisioned fiber with modulating equipment (Extreme networks 8-port switch, wifi router and UPS unit). Please make sure that all bids delineate materials, equipment and installation cost.

See Form 470 for additional details, Bids are due no later than Friday, March 21, 2025.
