Section I: GENERAL INFORMATION

1. **GENERAL**

The Board of Education of Anne Arundel County, also referred to as Anne Arundel County Public Schools or AACPS, is soliciting competitive sealed bids for all supplies, materials, equipment, labor and services required to provide point-to-point lit fiber network connection services as more fully described herein. In accordance with E-Rate program rules, AACPS will accept and consider proposals for an equivalent service delivered via leased dark fiber, including the equipment necessary to “light” the fiber, and maintenance and operations charges related to leased dark fiber service. The contract will be a firm, fixed price contract.

A pre-bid conference will be held at 1:00 PM Eastern Time on Thursday, February 10, 2022 at the Anne Arundel County Board of Education Parham Building, located at 2644 Riva Road, Annapolis, MD 21401. Attendance is strongly recommended. AACPS is not responsible for communicating to bidders any information that may be discussed during the conference. However, if AACPS makes changes to the RFB as a result of the meeting, all bidders properly registered on the AACPS website for this RFB will receive a notice of the amendment.

Bidders are responsible for reviewing and understanding this solicitation. To that end, prospective bidders may submit questions to the AACPS Buyer named above.

- ☐ Questions must be in writing and submitted via hard-copy or email.
- ☐ Questions must be received in the Purchasing Office by Monday, January 31, 2022 at 12:00 P.M. Eastern Time.
- ☐ Questions received after this date will be answered only if time permits.
- ☐ The Buyer will distribute a written summary of responses to timely-received questions to all prospective bidders known to have received a copy of this RFB.
- ☐ Oral communications are not binding.

2. **NO OBLIGATION**

This solicitation implies no obligation on the part of AACPS.

3. **BID INSTRUCTIONS**

Bidders are responsible for properly labeling their bid envelope with the company name, address, bid number and due date. AACPS is not responsible for a bid that may be inadvertently opened before the bid due date unless it is submitted with proper labeling.

Bid Drop Off – Appointments are required for an in-person drop off. To schedule an appointment, vendors should email the Purchasing Office several days before the due date.

purchasing@aacps.org

The Central Office has limited staffing due to COVID 19 restrictions, so please do not attempt to drop off a bid without a confirmed appointment.

Bids may also be submitted electronically. Electronic bid submissions must be done through the AACPS website. When submitting an electronic bid, go to www.aacps.org; then click *Vendors &*

Contractors/Bid Information/Current Bid Information/Bid Submissions (in red). The time of receipt is the time the electronic submittal is RECEIVED by Anne Arundel County Public Schools – NOT the time you begin the upload. Please allow additional time for your submission to be fully uploaded. AACPS is not responsible for technical failures that result in a late submission.

4. LATE BIDS

Late bids will not be accepted. It is the sole responsibility of the bidder to ensure that their bid is submitted on or before the bid due date and time specified in the solicitation. Late bids will be refused, returned unopened, or destroyed at the bidder's request.

NOTE: Bids sent next-day delivery via USPS are delivered to the nearest post office – not the AACPS Central Office. AACPS then retrieves deliveries from the Post Office the next day. In addition to accounting for postal delays associated with the Pandemic, bidders using this USPS shipment method should allow at least one extra business day for delivery to the Central Office.

5. REJECTION/CANCELLATION OF RFB

This solicitation is subject to cancellation when determined by the Supervisor of Purchasing to be in the best interest of AACPS. AACPS may reject any or all bids when determined by the Supervisor of Purchasing to be in the best interest of AACPS. Additionally, to ensure fair competition and to permit a determination of the lowest responsive bid from a responsible bidder, AACPS may reject bids that include omissions, alterations of form, or that are conditional or irregular in any respect, or reject non-responsible bidders that show a risk of default.

6. PRICE GUARANTEE

The bidder warrants that the bid price shall be effective for a period of not less than 120 days from the date bids are due. NOTE: For the successful bidder, prices shall remain firm over the duration of the contract.

7. EXCEPTIONS

If a bidder takes any exceptions to the terms and conditions of the RFB, a bidder shall notify AACPS in writing not later than ten calendar days (Saturdays and Sundays included) before bids are due.

8. REQUIRED DOCUMENTS

The required documents for this solicitation shall include the signed, original, unaltered solicitation documents including any addenda issued by AACPS, financial statement, completed Qualifications Affidavit, completed Bid Work Sheet, and any other additional documents requested. Failure to do so may result in rejection of the bid. Acceptable documents for compliance with the Financial Statement requirement include bidder's:

the bid calculation has been made *and only then with the approval of the AACPS Supervisor of Purchasing.*

10. COST OF BIDDING

AACPS does not accept responsibility for any expenses incurred in the bid preparation and presentation requirements, if any. Such expenses are the sole responsibility of the bidder.

Complete records of all inspection work performed by the Contractor shall be maintained and made available to the AACPS during contract performance and for as long afterwards as the contract requires.

The AACPS has the right to inspect and test all materials/services in accordance with the solicitation/contract, to the extent practicable at all times and places during the term of the contract. The AACPS shall perform inspections and tests in a manner that will not unduly delay the work.

If the AACPS performs inspections or tests on the premises of the Contractor or a Subcontractor, the Contractor shall furnish, and shall require Subcontractor to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of these duties.

(1) No inspector other than the Supervisor of Purchasing may change any provision of the specifications or the contract without written authorization. The presence or absence of an inspector does not relieve the Contractor or Subcontractor from any requirements of the contract.

(1) Require the Contractor to take necessary action to ensure that future performance conforms to contract requirements; and

(2) Reduce the contract price to reflect the reduced value of the services performed.

If the Contractor fails to cure any defect or ensure future performance in conformity with contract requirements, the AACPS may:

- (1) By contract or otherwise, acquire the supplies/services and charge to the Contractor any cost incurred by the AACPS that is directly related to the acquisition of such material/service; and
- (2) Terminate the contract for default.

4. QUANTITIES

Business Automobile Liability Insurance

The Contractor, if requested by AACPS, shall provide certified true copies of any, or all, insurance policies.

Providing any insurance required herein does not relieve the Contractor of any of the responsibilities or obligations assumed by the Contractor in any resulting Contract or for which the Contractor may be liable by law or otherwise.

Failure to provide and continue in force such insurance as required herein shall be deemed a material breach of any resulting Contract and shall operate as an immediate termination thereof.

7. WAIVER OF SUBROGATION

To the fullest extent permitted by law, the Contractor and its invitees, employees, officials, volunteers, agents and representatives waive any right of recovery against the AACPS Parties, including the Board of Education of Anne Arundel County (the Board), administrators, executives, employees or volunteers for any and all claims, liability, loss, damage, costs or expense (including attorney's fees) arising out of the services provided by Contractor under this Contract. The following are mandatory terms and conditions to be included in all contracts.

1. **COMPLIANCE WITH LAWS**

The Contractor hereby affirms:

- A. It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- B. It is not in arrears with respect to the payment of any monies due and owing the State of Maryland, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
- D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract

2. **RETENTION OF RECORDS**

The Contractor shall retain and maintain all records and documents relating to this contract for five (5) years after final payment by the AACPS hereunder or any applicable statute of limitation, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the AACPS, including the Supervisor of Purchasing or the Supervisor of Purchasing's designee, at all reasonable time.

3. **TERMINATION**

3.1 TERMINATION FOR DEFAULT

Should a Contractor fail to perform fully, faithfully and promptly any obligation owed to AACPS under this contract, then AACPS may, at its election, consider the breach material and, notwithstanding any requirement of notice, terminate the contract in its entirety. Failure on the part of the Contractor to fulfill contractual obligations shall be considered just cause for termination of the contract, and the Contractor is not entitled to recover any cost incurred by the Contractor up to the date of termination. Such termination, or failure to terminate, by AACPS shall not be construed as a waiver of any other right or remedy afforded by law or by agreement between the parties which AACPS may have against Contractor. No failure of AACPS to utilize a remedy afforded by law or contract upon any breach by Contractor shall be construed as a waiver of the right to insist upon full, prompt and faithful performance of the particular obligation, and all other obligations of Contractor in the future.

3.2 TERMINATION FOR CONVENIENCE

The performance of work under this contract may be terminated by AACPS in accordance with this clause in whole, or from time to time in part, whenever AACPS shall determine that such termination is in the best interest of AACPS. 3.3 NONAVAILABILITY OF FUNDING

If the County Council fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this contract succeeding the first fiscal period, this contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this shall not affect either AACPS's rights or the Contractor's rights under any termination clause in this contract. The effect of termination of the contract hereunder shall be to discharge both the Contractor and AACPS from future performance of the contract, but not from their rights and obligations existing at the time of termination.

4. MARYLAND LAW PREVAILS

The law of Maryland shall govern the interpretation and enforcement of this Contract.

5. ASSIGNMENT

Contractor may not assign this contract to successors, associated companies, or any other parties for any reason without written approval of AACPS.

All such charges shall be derived in accordance with the prices originally bid on the BID WORK SHEET, found in Section V attached hereto and made a part hereof. In the event that contractor is not in default of any of the contract terms and conditions, then AACPS shall cause said invoice to be timely paid.

liable therefore, except that Contractor shall not indemnify and save harmless the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers, against and from all suits, actions, claims, demands, damages, losses, expenses and/or costs arising from or due to the negligence of the AACPS Parties, including its Board of Education, administrators, executives, employees and volunteers. The whole, or so much of the moneys due, or to become due the Contractor under the contract, as may be considered necessary by the Supervisor of Purchasing, may be retained by the AACPS until such suits or claims for damages shall have been settled, or otherwise disposed of, and satisfactory evidence to that effect furnished to the Supervisor of Purchasing.

11. REGULATIONS

The policies established by the Board of Education of Anne Arundel County and administration regulations in effect on the date of execution of this Contract are applicable to this Contract.

12. WAIVER

No provision of these Contract Documents shall be deemed to have been waived unless such waiver is in writing. Any waiver shall extend to the particular case only and only in the manner specified and shall not be construed in any way to be a waiver of any further or other rights in the same or different circumstances.

13. NON-DISCRIMINATION CLAUSE

Anne Arundel County Public Schools prohibits discrimination in matters affecting employment or in providing access to programs on the basis of actual or perceived race, color, religion, national origin, sex, age, marital status, sexual orientation, genetic information, gender identity, or disability.

14. MODIFICATIONS AND AMENDMENTS

Modifications to this Contract may be made only with the written agreement of both parties unless an express unilateral right is identified herein.

15. FORCE MAJEURE

Force Majeure is defined as an occurrence beyond the control of the affected party and not avoidable by reason of diligence. It includes the acts of nature, war, riots, strikes, fire, floods, epidemics, pandemics, or other similar occurrences. If either party is delayed by force majeure, said party shall provide written notification to the other within 48 hours. Delays shall cease as soon as practicable and written notification of same provided. The time of contract completion may be extended by contract modification, for a period of time equal to that delay caused under this condition. AACPS may also consider requests for price increase for raw materials that are directly attributable to the cause of delay. AACPS reserves the right to cancel the contract and/or purchase materials, equipment or services from the best available source during the time of force majeure, and Contractor shall have no recourse against AACPS. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of force majeure as defined herein.
