

SOLICITATION AMENDMENT

Solicitation No.: RFP 700058-22	Amendment No.: 1
Title: e-Rate Category 1 Eligible Services	Date: January 19, 2022

The above numbered Solicitation is amended as set forth below.

Offerors are not required to acknowledge receipt of this Amendment, but may do so by one of the following methods:

- This Amendment may be returned with proposal response or may be returned prior to proposal due date and time.
- By acknowledgment of this Amendment on the copy of the proposal submitted.
- By separate letter that includes a reference to the Solicitation and Amendment number.

If by virtue of this Amendment you desire to change a proposal already submitted, such change may be made by letter, provided it includes reference to the Solicitation and this Amendment and is received prior to the opening hour and date specified.

DESCRIPTION:

- Questions submitted by prospective bidders and answers provided by the County.

Q1: Are you simply seeking a single 10 gbps DIA circuit at Iron Mountain Data Center, 11680 Hayden Rd, Manassas, VA 20109?

A1: Yes.

Q2: It is noted on the Scope of Work "The Internet access service should be provided over 10 Gbps circuits that can be provisioned in 1 Gbps increments, or as recommended to meet the service expectations for each branch library", however the 470 states minimum of 10 gbps. Are you stating that you plan (on your in end with the county's dark fiber) peeling off 1 gbps connections off the 10 gbps dedicated Internet circuit?

A2: Prince William County requires a single 10 Gbps circuit at Iron Mountain Data Center. The circuit will be segregated/peeled off into 1 Gbps connections.

Except as provided herein, all terms and conditions of the Solicitation shall remain unchanged and in full force and effect.
