QUESTIONS – INTERNET ACCESS

The open inquiry period for this Form 470 closed at 11:00AM ET, December 8, 2021. Only one question was received during the allotted time. The information below is the only additional information that was or will be provided outside of the originally posted Form 470 and Service Specifications attachment.

- Q1: Is this 470 for WAN services? If this 470 is for WAN services, would Franklin City School District be open to individually awarding Dedicated Internet Access and Wide Area Network services?
- A1: This Form 470 is requesting proposals for Internet access to be delivered to the Franklin City School Board Office located at 207 WEST SECOND AVE., FRANKLIN, VA 23851 which will serve as the Internet service for all district locations. No WAN services are requested.
