QUESTIONS SHOULD BE DIRECTED TO MARK ANDERSON AT andersonmar@fssd.org Bids should be emailed to: Mark Anderson at andersonmar@fssd.org Service is requested for 7 schools and 2 NIFs that did not migrate when the portal was established (Franklin Special School District Building and Central Office Annex). General notes - Quantities outlined in the service request section are approximate and may change with final request. Voice service - The district is seeking bids for local and long distance services. Service providers may bid on local and/or long distance. Approximate quantities include 14 business lines, 28 Centrex stations and associated NARs, and 2 PRIs. The PRIs terminate at the Central Office Annex located at 1406 Cannon Street, Franklin, TN. Cell service - This request is for service only for approximately 67 devices. Of this, 56 have data plans. Service provider must provide cost allocation for ineligible texting and data plans. WAN service via leased lit fiber - This request is for a minimum 1 Gbps circuit to the Central Office Annex. Provide incremental bandwidth up to 10 Gbps. We are also requesting 100 Mbps circuits to the all schools (except Franklin Lower Elementary School) and the Central Office. Provide incremental bandwidth up to 1 Gbps to these locations. Pricing must be provided by location. The district would like to have diagram of proposed network but this is not a requirement for consideration. The district is seeking a multi-year contract, possibly 3 years with 2 voluntary extensions. The contract must explicitly state that the bandwidth can be increased during the term of the contract. The bidder must include costs for all components required to implement the service. These costs include but are not limited to special construction, installation, maintenance and equipment costs. Failure to include all costs may be grounds for disqualification. Provide an estimate of miscellaneous fees, taxes and surcharges.
