

Seeking bid proposals for the following:

Approximately 1 switch (Cisco C9300X-48HX or equivalent). All components essential to the operation and functionality to be included.

Approximately 1 license for above switch (Cisco or equivalent). The cost of the license may or may not include Basic Maintenance of Internal Connections. If any proposed products include portions categorized under both Internal Connections components and Basic Maintenance of Internal Connections, please separately identify the costs associated with each.

Approximately 9 switches (Cisco C9300-24HX or equivalent). All components essential to the operation and functionality to be included.

Approximately 9 licenses for above switches (Cisco or equivalent). The cost of the license may or may not include Basic Maintenance of Internal Connections. If any proposed products include portions categorized under both Internal Connections components and Basic Maintenance of Internal Connections, please separately identify the costs associated with each.

Approximately 10 modules (Cisco C9300X-NM-8X or equivalent).

Approximately 10 power supplies (Cisco PWR-C1-1100WAC-P or equivalent).

All proposed products must be compatible with existing district infrastructure. All questions and bid proposals are to be submitted via e-mail to the Technical Contact listed on the FCC Form 470 application. Potential bidders are reminded of the E-Rate Program requirement to provide the Lowest Corresponding Price (LCP) to E-Rate applicants.
