Bids MUST include pricing detail by line item by school location including, Quantity, Description Manufacturer, Model Number, Part Number/SKU, Unit Price, Extended Price and % Eligible.

Allocations must comply with USAC rules which specify that the allocation methodology must be based on tangible criteria and reach a realistic result.
Vendor must be in good standing with the USAC and not red-lighted.
The service provider must give the applicant the choice to pay using the SPI funding method or the Bear funding method.
E-rate questions must be directed to Jerry Steinberg at jerry@telesolutionsconsultants.com and please indicate the Form 470 number and the school district name in the subject line of your email. Technical questions must be directed to the contact listed in the RFP. Please note that the E-rate program operates now with a Portal system for which the RFP and any addenda addressing issues or answering questions will be located. It is the vendor's responsibility to access the Portal to determine if there are any addenda or amendments for this RFP process.
