The Beebe Public School District will be accepting bids to upgrade the district's network backbone to 10 gigabit. It is suggested that bidders visit, in person, to do a walk-through each building to help send a more accurate bid/quote. The walk-through is scheduled for November 10th at 9 A.M. This will be the only scheduled walk-through. To submit an accurate bid on this project, a vendor should attend the walk-through. The project will include replacement of fiber, gibics, and other networking equipment as needed. All bids should be emailed to the technical contact listed on the Form 470.
