## State and Local Procurement Restrictions

Public work and purchase contracts for public schools in New York State are governed by the provisions of the State's General Municipal Law and individual school district purchasing policy. Public Schools may also purchase equipment and services under publicly bid centralized procurement contracts administered by the State's Office of General Services or under cooperative bidding contracts administered by the local boards of cooperative educational services (BOCES). Our preferred method of contact is e-mail. All correspondence/questions must reference the Form 470 number and must be submitted in writing to the contact listed. Correspondence submitted in any other manner may not be received by the appropriate contacts and may not be considered in the bidding process. Bidders must be in compliance with E-rate rules and must agree to provide all E-rate related documentation to the applicant upon request.
