Narrative
Economic Improvement Council requests managed VoIP services (42 users located at the NIF, 712 Virginia Rd., Edenton, NC 27932) for the EIC main office (NIF) and for each of its 18 schools/center/nif locations (see Center List HS 3 and Center List HS 10). Each Center/school has a 470 posted listing the number of users, internet services and other CAT 1 and 2 services (See List of EIC 470s). We Estimate a total of 128 phones initially (42 at NIF and the remainder at other locations) with ability to add or remove additional phones as needed. Internet services, with adequate bandwidth, will be available at each Head Start Center and at each NIF. It is preferred that none of the bandwidth for each location be dedicated to voice only. Lit Fiber service and internet service is requested at each location. 20 Mbps should be adequate at most locations (preferred); however capacity may vary with pricing and use/demand at each location. A NEW circuit is requested to connect each location with the central office (NIF) located at 712 Virginia Road, Edenton, NC 27932 and the NIF located 415 East Blvd – Suite 130 – Williamston, NC 27892. Separate Form 470s have been posted, providing more detail about each location, additional equipment needs (WAPs) and cabling requirements (see List of EIC 470s). 11 Cell phones (voice only) is requested to support educational activities in all locations.
